Young artist wins Easter contest

By Grant Cree

The Town of Legal held a community colouring contest to celebrate Easter. Children aged 12 and under were invited to submit one of the Town's colouring contest forms to help decorate the Town office and be entered

into a random draw for a chance to win an Easter basket.

Eric, age seven, won the contest and an Easter basket stuffed with all kinds of goodies.

"He was very excited to have won," said Susan Pearce, Safety & Community Services Coordinator with the

Town of Legal.

"We do a colouring contest for the children in Legal to help get them excited about Easter and to decorate the town office. They like to come in and see their pictures displayed in the town office, and we encourage them to do so."

Easter Bunny visits seniors

By Grant Cree

The Easter Bunny delivered smiles and laughter to residents of the Chateau Sturgeon Lodge in Legal on April 15.

The Lodge learned about the new Easter community event organized by the Town of Legal and reached out.

"They heard what we were doing and that the Easter Bunny was

coming to do photos with families, and I thought what a perfect way to end their day," said Susan Pearce, Safety & Community Services Coordinator with the Town of Legal.

"After we finished our community event, myself and the Easter Bunny headed over there," said Pearce.

"We surprised the residents, took some pictures, enjoyed some laughs and shared some treats with them."

New lights at the Curling Club

By Grant Cree

The Morinville Curling Club lighting is now 20 percent brighter after a team of volunteers gathered on April 18 to install new LED bulbs.

Don Bodinsky, President of the Morinville Seniors Curling Club, and a work crew completed the task in three hours during a busy morning.

"We replaced all of the lights in the main rink and in the front reception area with LED bulbs," said Bodinsky, an avid curling enthusiast.

"They were just straight fluorescents before. On a light meter, it showed over 20 percent gain in light. Plus, it's pure white instead of a yellowish light. So it's a huge, huge difference."

Bodinsky noted the Curling Club has been in town since 1954. "We've got senior members as old as 88, still curling. We introduced stick curling a dozen years ago or so, and it's allowed all the curlers to keep going."

Club members persevered during the pandemic challenges. "We were up and down, depending on the lockdowns," he said. "We did open earlier than many places because we had everybody a double and triple

vaccinated. Seniors are very cautious."

The club adopted safety rules so members could enjoy their time on the ice. This included wearing masks, placing teams at opposite ends of the ice and enforcing social distancing guidelines.

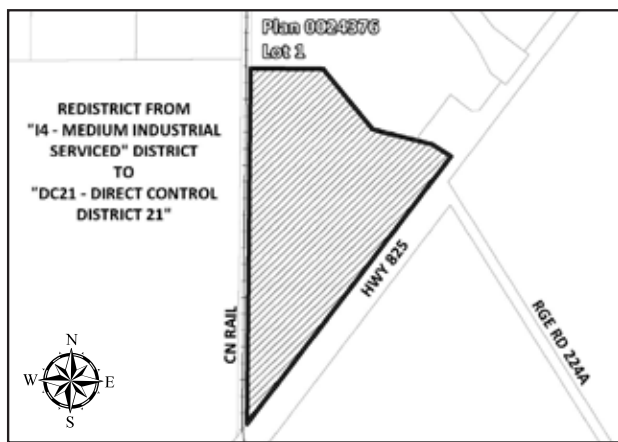

Bodinsky thanked all the volunteers for rallying to help brighten one of their favourite places to enjoy friendship and curling fun.

"A special thanks to Darryl Brennies; he's a member of the club who provided the lights at a real discounted price. He closed his electrical business and retired."

The Morinville Curling Club opens for registration on September 10, and curling is scheduled to begin on October 1. "It all depends on when the ice goes in," said Bodinsky. "Everybody will come in then, and we'll show off the new look."

Electric Vehicle Charging Program – Municipal Climate Change Action Centre

The Town of Bon Accord is pleased to announce, grant funding has been approved for the Electric Vehicle Chargers! At a Special Meeting of Council on March 29, 2022, Council approved to move forward with executing the funding agreement for the Electric Vehicle Charging Program.

the Government of Alberta and Natural Resources Canada while the program is administered by the Action Centre.

As noted, 100 per cent of the cost of purchasing and installing the charging stations will be rebated with no impact to taxpayer dollars. The two sites selected for the chargers are the town office and arena totalling seven chargers (one level 3 and six level 2). Dandelion Renewables will be the project lead to commence construction in the next few weeks.

"We are proud to lead the "CHARGE". Kudos to our Town's staff and Dandelion Renewables for their tireless effort to obtain grants and to gather all the required information to present to Council. It was an easy decision, seven charging stations installed at no cost to our residents. Many of our rate payers want to see their municipality accelerate the adoption of electric vehicles, including the installation of electric vehicle chargers. Congratulations to all for working to keep our Town in the forefront with its green initiatives!"

Brian Holden
Mayor – Town of Bon Accord

"We're thrilled for the Town of Bon Accord! Installing electric vehicle chargers will put the Town on the electric vehicle map and will prepare the community for an electric future."

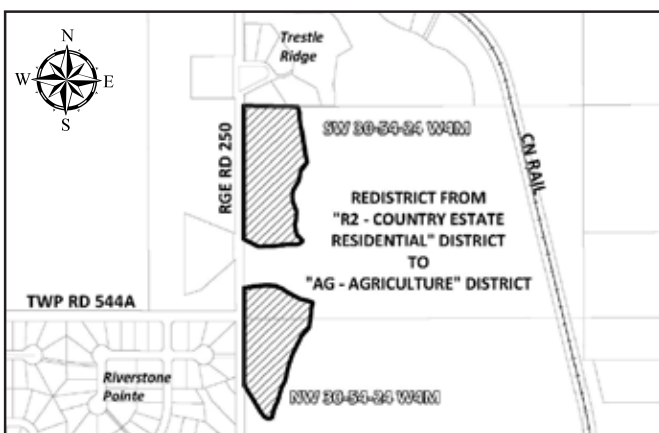

Trina Innes Executive
Director – Municipal Climate Change Action Centre

The Town of Bon Accord would like to acknowledge the Municipal Climate Change Action Centre (MCCAC) in supporting the funding for programs, to achieve real savings and real change. The Municipal Climate Change Action Center is a collaborative initiative of Alberta Municipalities, Rural Municipalities of Alberta, and the Government of Alberta. The Action Centre delivers funding, technical assistance, and education to help Alberta municipalities advance actions that lower energy costs, reduce greenhouse gas emissions, and improve climate resilience. Funding for the Electric Vehicle Charging Program is provided by both

Vegetation Management

Sturgeon County controls weeds, brush, and trees on Sturgeon County lands and road allowances. Control methods such as roadside mowing, weed trimming, hand picking, brushing, and herbicide applications are used in order to:

- Improve visibility and safety for motorists
- Reduce road maintenance costs
- Reduce fire risk and allow for proper drainage
- Prevent the spread of weed species

Limited Control Area Agreements

Landowners who wish to restrict herbicide applications from occurring on municipal lands adjacent to their property can enter into a Limited Control Area Agreement with Sturgeon County. Limited Control Area Agreements are only valid for the year that they are issued and must be renewed on an annual basis.

Property owners/residents who choose to participate in this program will be responsible for vegetation control on municipal lands for which their Limited Control Area Agreement applies.

The deadline to complete a Limited Control Area Agreement is May 9, 2022.

For more information please contact Agriculture Services at 780-939-8349 or email agriculture@sturgeoncounty.ca or visit our website www.sturgeoncounty.ca/VegetationManagement

City of Edmonton's Mosquito Control Program

The City of Edmonton may conduct mosquito control measures within some road allowances in Sturgeon County as part of their 2022 Mosquito Control Program.

To determine if your property is eligible and to OPT IN for this service, contact Shelayne Randall with Agriculture Services at 780-939-8325 or email srandall@sturgeoncounty.ca.

These agreements are valid for the year they are issued and must be renewed annually.
