## New business offers One Shot Shipping

By Stephen Dafoe and  
Morinville Online

A new business has opened in downtown Morinville, offering shipping, packaging, and courier services under one roof to provide Morinville and Sturgeon County residents and businesses with a convenient location to send or receive packages.

Owners Karen Chubb and Fred Bisson opened their doors on Sept. 1 at 10401-100 Avenue (next to The Flower Stop).

Karen Chubb said the biggest motivation behind the need for the new business was people in Sturgeon County having difficulty sending and receiving packages. "There is one provider [Canada Post] in most cases,

RV City at 8704 100 Street in Morinville is getting a fresh new look! The parking lot was upgraded with new pavement, making it smoother and easier to drive on. This is a great improvement for the business and will make it more enjoyable for customers to shop for their next RV purchase.

## Local news publications working together to serve readers better

By Stephen Dafoe

This week, Morinville Online / MorinvilleNews.com and the Morinville Free Press will partner to share select content to serve the region better.

The Morinville Free Press publishes a weekly print newspaper sent to Morinville, Bon Accord, Legal, Gibbons and Sturgeon County. Morinville Online / MorinvilleNews.com runs an online daily news site and popular social media page focused primarily on Morinville and its immediate area.

This week, Morinville Online / MorinvilleNews.com will start to

share selected content with the Free Press.

"Collaborating with Stephen Dafoe of Morinville Online will be beneficial to both of us," says Morinville Free Press owner and publisher Valerie Winger. "Stephen's knowledge and experience in the industry will be a great asset to the Morinville Free Press. It will be a privilege to work with Stephen."

Dafoe also sees collaboration as beneficial to both publications in a time of reduced advertising revenues and reduced reporter resources.

"Although Valerie's publication and mine

have crossover in terms of audience, we also serve two different audiences as well," Dafoe said. "By sharing some content with the Free Press, we can get our stories about local businesses, groups and people to a broader audience while generating additional revenue to produce more content and tell more local stories."

The partnership between the two news publications is strictly for the sharing of content. Both the Morinville Free Press and Morinville Online / MorinvilleNews.com will operate as separate businesses as they have in the past.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Level: Intermediate

**Here's How It Works:**

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

# Unemployment increased in Alberta in August

By ATB Financial Team

According to the latest Labour Force Survey results, Alberta's seasonally-adjusted unemployment rate went from 4.8% in July to 5.4% in August—the first increase in almost a year. Employment in the province slipped by 0.3% (6,500 positions), with full-time jobs down by

1.0% (19,600) in August compared to July and part-time jobs up by 3.1% (13,100).

The participation rate remained unchanged in August at 68.8%.

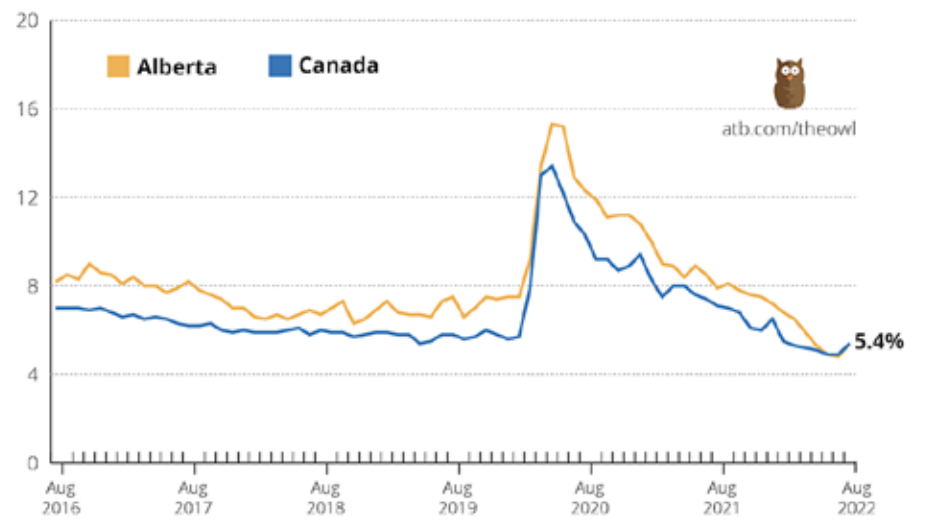

It was a very similar picture nationally with the unemployment rate rising from 4.9% in July to 5.4% in August and total employment declining by 0.2%.

As was the case in Alberta, full-time jobs in Canada pulled back while part-time positions increased.

While labour market conditions in both Alberta and the country as a whole remain tight, the slight loosening in August points to the cooling of the economy that is expected to accompany the rise in interest rates.

and this gives them multiple choices as to who to ship with and how to receive," Chubb said.

One Shot Shipping offers shipping with Canada Post, UPS, FedEx, and Purolator.

Fred Bisson said the one location makes it easier for their clientele. "By having one physical address when you order online, you have one address. Certain couriers will ship to a PO Box—some don't. Some will ship outside of Morinville; some don't. So, this way, we group everything under one roof."

With multiple shippers, One Shot Shipping's customers bring their packages, and the store will find the best way to ship that item for the customer.

"If you ship from Alberta to Quebec - a certain provider will give the best price. But if you ship from here in Alberta to Texas, then it is a different provider," Bisson explained. "Now, instead of someone going all around and trying to find the cheapest one, you just come here to One Shot Shipping."

The Sturgeon County residents hope their new business will save Morinville and fellow County residents time travelling to St. Albert or elsewhere for shipping.

"If you ship a large amount of packages, yeah, they will pick it up. But if you have one box and you want to ship it with UPS, you have to drive to St. Albert," Bisson said. "It'll take you an hour or an hour and a half, depending on the [traffic] lineup there."

Chubb said that the company also sells everything you need to get those packages ready. Bubble wrap, tape, boxes, and other items are all available at the business.

But while shipping is a significant part of the new operation, receiving is the other part.

The owners see their location as a perfect spot for those ordering online, eliminating the worry as to whether or not the package will still be there when you get home and removing the need to wait around all day if the customer is home.

"It's safe. It's secure," Chubb said, noting their convenient location is safe from bad weather and porch pirates. "It's in a safe place."

Chubb and Bisson feel the public is not the only customers to benefit from their new service. Businesses can also benefit from the convenience and time-saving of not having to phone the various couriers for pricing and shipping info.

"They still have to bring it [the packages] here, but we can do the preliminary work in probably a quarter of the time that they will spend on the phone," Chubb said.

Bisson added that shipping through One Shot Shipping also eliminates businesses having to open accounts with the various courier services.

One Shot Shipping is open Monday to Friday from 10 a.m. until 6 p.m. You can reach one Shot Shipping at [www.oneshotshipping.ca](http://www.oneshotshipping.ca) or by email at [info@oneshotshipping.ca](mailto:info@oneshotshipping.ca).

# This year's Chamber Gala will have a casino theme

By Stephen Dafoe and Morinville Online

With nominations closed for this year's business awards, the Chamber committee will soon pick the winners ahead of this year's gala on Oct. 20 at the Morinville Community Cultural Centre.

"It honours our business community and the best of the businesses," said Morinville & District Chamber of Commerce Manager Roberta Pawluk. "It's a great way to meet fellow business owners, network, and see what's new in town."

Pawluk said the Chamber had added many new businesses over the summer, four of those in the past week alone.

This year's gala has a casino theme, a concept chosen from a business community survey conducted earlier this summer. Pawluk said the casino theme won by a wide margin of 80 per cent.

With the cards and casino theme, the Chamber is hoping to have a few casino tables set up purely for fun and are hoping to have two of Alexander First Nation's fashion designers provide a fashion show.

The Chamber is hoping for solid attendance again this year after a couple of years of not having an event.

"With the end of the pandemic, being closed in for two years and not being able to do a whole lot, people are

looking to get out to bigger functions now," she said.

Tickets are available at the chamber office at \$70 per ticket or \$490 for a table of eight. The doors to this year's gala opening at 6

p.m. on Oct. 20, with dinner at 7 p.m. and awards presentations at 8 p.m.

For more information, visit the Morinville & District Chamber online.

Tickets are now on sale for this year's Chamber Gala, taking place Oct. 20 at the Morinville Community Cultural Centre.

Gavin from the Morinville Hockey Academy did an amazing job at the Army 10K run, coming in 36th place overall out of 702 runners, and 3rd in the 14 and under age group. Congratulations Gavin, keep up the great work!
