Morinville's new pumper truck arrives

Stephen Dafoe Photo

By Stephen Dafoe and Morinville Online

Morinville's new \$1.1 million pumper truck was pushed into the Don Found Fire Station Friday afternoon, not because of mechanical issues but as part of a Firehall tradition dating back to the 1800s.

In those days, firefighters would unhitch horse-drawn wagons and hand-drawn pumpers and push them back into the station after the call. That tradition has continued for the past two centuries, with fire departments worldwide pushing in new gear when it is received.

The Morinville Fire Department has done so with its last two purchases; the \$850,000 Rescue 5 unit in 2013 and the \$1.2 million Ladder 4 in 2010.

Friday's push-in ceremony saw the arrival of the Department's new

500-gallon pumper truck built on a Quantum chassis with a 450-horsepower Cummins L9 engine.

The mid-placement tank is capable of putting out foam or water and the pump operates at 1500 gallons per minute.

"What we have here in Morinville is due to the support of council, both past and present, for the Morinville Fire Department. This equipment is key to our performance in our emergency response," said Fire Chief Brad Boddez.

"This engine has been two years in the making, and we are excited to have this unit in service for our community."

The new truck, approved in 2020, was paid for in two installments of \$550,000 in the 2021 and 2022 budgets.

The Town says four criteria played a role in selecting the new

pumper truck: visibility and space, ergonomics, serviceability, and maneuverability.

The front of the truck has a fire bell signed by Chief Boddez and

inscribed as follows:

It's About:

- Those We Serve
- Those We Serve With
- Those who allow us to Serve

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Morinville Adopt-a-Family underway to help families this Christmas

By Stephen Dafoe and Morinville Online

The Morinville Adopt-a-Family initiative is in its tenth season of giving to families that could use extra help at Christmas.

The campaign started in 2012, when a local mom approached Adopt-a-Family founder and organizer Sarah Hall to help another local family that needed some things for Christmas. Hall's friend could not meet the family's needs alone and asked Hall to assist with the giving.

They decided to go one better and reach out to the Morinville Marvelous Moms Facebook group to see if the assistance could be further reaching within the community.

More than a decade later, the intake is now more than just through the group. Most referrals now come from family support workers, school counsellors and some self-nominations.

"We provide a full hamper service for families in need. Most of our families are rural based, and we work in conjunction with the Knights of Columbus and the Midstream [Support Society] to make sure families are serviced to the best for everybody," Hall said. "We provide everything from a food hamper to grocery gift cards for fresh foods, hams or turkeys, toiletries, cleaning products and gifts for moms, dads, and children. If we can, we also like to include dog and cat food."

Hall said the application process began on November 15 and that applications are available through Morinville and Sturgeon County's Family and Community Support Services

departments as well as the Morinville Community Library, area schools and churches.

Donation boxes will pop up in local businesses over the next couple of weeks, where donors can place goods for the program.

While many people support the program through the collection boxes, Hall explained the program also matches people who would like to adopt a family themselves.

"You can sponsor meals and gifts for families, or you can sponsor an [entire] family," Hall explained. "If we get permission, we can have you deliver your gifts to those families, or you can have us deliver them for you."

Those in need of assistance or those wanting to match up with an adopt-a-family can find applications and information on the new Adopt-a-Family website at MorinvilleAdopta-Family.com.

Hall said one of the biggest things people can do to help this season is purchase grocery gift cards, preferably for Sobeys and No Frills in Morinville, stores that are easier for those in need to access.

With inflation at record highs, Hall and her fellow organizers anticipate a greater need this holiday season.

"We're getting squeezed from everywhere," Hall said. "Everything is going up from insurance to gas. It's getting really difficult, even for people who have never really struggled before. There will be more and more families that would never think they were in this position that are in this position now."

Santa Store Auction's 25th-anniversary event breaks fundraising record

Auctioneer Brad Ward auctions off the final item of the night, a Pit Boss Pellet Grill donated by Smokehouse Grills & Supplies - Stephen Dafoe Photo

By Stephen Dafoe and Morinville Online

The 25th Annual Santa Store Auction in support of the Midstream Support Society took place Saturday, November 19, at Coach's Corner in Morinville, and organizers were thrilled that the event raised the highest amount of money to date.

Saturday's auction raised \$26,000 for the cause, including the bids, 50/50 draw, and donations. That number is \$8,645 (50%)

higher than last year's \$17,355.

The 120 auction lots, donated by local businesses, organizations and individuals, raised \$22,165, or an average of \$184.70 per lot.

Donations were required to book tables for the event. Table sales generated \$1,080 for the Morinville Food Bank.

The annual auction is Midstream's largest revenue source to help families in need provide a Christmas experience for their

children.

This year's event proceeds will expand beyond the general mandate to provide toys and gifts for children who would otherwise not receive them.

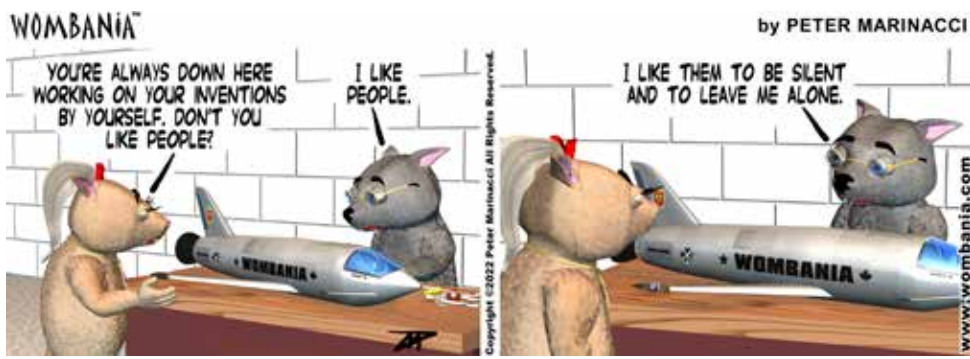

Committee member Lisa Piche told Morinville Online prior to the event that this year the organization, in addition to making sure there were toys under the tree for families, would also help take care of other needs.

"We're going to make sure we have toys under the

tree, but we want to make sure that if a bill hasn't been paid, or there's some kind of stress - the washing machine's not working - that

we can pay for the actual problem," Piche said at the time. "Sometimes, it's not toys. Sometimes, it's something else."

Anyone who knows a family who could use support this year can contact Kim Mills at the Town of Morinville 780-939-4361.
