## An annual Christmas musical tradition resumes in Morinville

A Morinville holiday tradition will take place at Morinville Community Cultural Centre in two weeks, marking the event's 42nd year and the first time since 2019. The Community Christmas Celebration, an interdenominational Musical Jubilee, takes place on December 22 at 7:30 p.m. Admission is free; however, attendees are encouraged to bring a donation for the Morinville Food Bank.

Former Morinville teacher, school board trustee, and Citizen of the Year John Unsworth started the annual celebration in 1978. The event has been a holiday staple in Morinville ever since; however, the pandemic and the loss of St. Jean Baptiste Church halted the event for the past two years.

The Morinville Minstrels took over the event from a dedicated team of volunteers six years ago and, having found a new venue, are once again organizing this year's concert.

Organizers say the evening's celebration "warms people's hearts and fills them with the spirit of the Christmas Season" as singers share their talents, singing together, joining hands, and creating a sense of community.

"It's a great event. We bring people together," said Morinville Minstrel and organizing committee member Judy Baker. "It's like the beginning of Christmas. This event has been going on for 42 years, and it brings people together - brings the community together. It's just a fun time."

This year's event will include The Morinville Minstrels, The Father's House, Morinville Community High School Band, and other groups and soloists performing Christmas songs.

Baker and her fellow organizers hope to fill St. Jean Baptiste Church for the celebration.

"Come and enjoy the evening and relax. It gives you the spirit of Christmas," Baker said.

The event originally scheduled to take place at Morinville Community High School changed venues to the Morinville Community Cultural Centre after a sponsorship donation from Pleasant Homes and Morinville Online/MorinvilleNews.com.

# 25<sup>th</sup> Anniversary Memorial Tournament held over the weekend

By Stephen Dafoe and Morinville Online

Thirty-three years after Novice hockey player Dennis Blair Borduzak died, his memory is kept alive through a memorial tournament that celebrated its 25th year over the weekend.

The annual 4 the Love of the Game Tournament took place in Morinville and Legal from December 8 to 11, and brought together 16 local and visiting teams from across five divisions for 60 games of hockey.

Borduzak died following his Novice (now U9) year of hockey in 1989. The tournament's name pays homage to the late hockey player's number 4 jersey, which was retired in Legal in 2004.

"This is the 25th Anniversary of this tournament. This is huge. The name speaks for itself, 25th Anniversary," said organizer Tasha Tappauf prior

to the weekend-long event.

"It's just amazing that our little communities (Morinville and Legal) have been putting this tournament on now for 25 years. That's a celebration in itself. We obviously must be doing something right if this tournament is consistently well-known within the Alberta hockey community and sought after."

Tappauf was not alone in expressing enthusiasm for the annual memorial event. Tournament organizing committee member Kaylee Hewitt said being new to helping out, she had no idea how much hard work and heart are put into the events.

"As I left a committee meeting with a handful of notes and to-dos, I became emotional thinking about the family and what this must mean to them," Hewitt said. "I thought, If I ever found myself in the

same situation as this family and lost one of my children, and had the support and love of strangers that sat in a room to organize a tribute tournament for him, imagine how much that would mean to me. Sometimes it's about so much more than hockey."

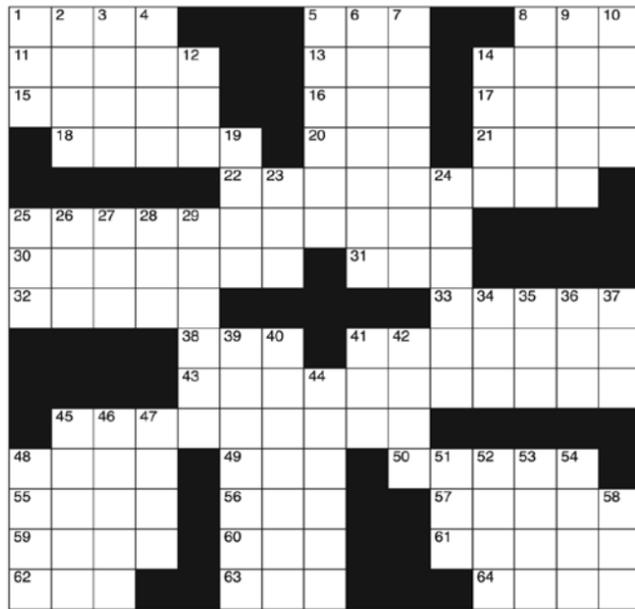

Organizers held two special events on Saturday, Dec. 10, in Legal. The first was the Borduzak ceremonial puck drop, and the second was an Alumni game featuring Dennis' past teammates from the 88-89 Novice hockey team.

The game was coached by their former coaches who came out-to-play members of the Borduzak family, family friends, and members of the community.

Organizers said they will donate a portion of the funds raised from the 50/50 draw and raffles during the event to a local initiative in honour of Dennis' legacy.

# A Successful Cocktail Reception for Fill A House Campaign!

Jandel Homes hosted its annual Fill A House cocktail reception and silent auction last night (December 6) at their Meadows of Morinville Sales Centre.

They once again partnered with the Morinville Adopt A Family program, which helps ensure that families in Morinville and Sturgeon County enjoy a wonderful Christmas season by providing them with Christmas hampers.

“We are so happy to return to an in-person event this year! The last two years,

we’ve had to hold our auction online due to Covid, so it was great to see everyone’s faces again last night. We know it’s been a tough couple years for many families, so we are even

more blessed to be able to help those in need this Christmas season.”

Not counting 2022, the Fill A House campaign has generated over 4,600 toy donations, brought in 9,600 food items and raised more than \$109,000 in monetary contributions!

Donations of toys, non-perishable food items and toiletries are being accepted at the Meadows of Morinville Sales Centre until December 9th. The Fill A House Campaign will wrap up with its cheque presentation on December 13th.

## Sturgeon County to continue engaging regional partners on Villeneuve Airport area before presenting to EMRB

Sturgeon County withdrew its application to the Edmonton Metropolitan Region Board (EMRB) – which details its plans for the Villeneuve Airport area – and will resubmit those plans in the new year.

The EMRB's 13 member municipalities were set to review the application for the Villeneuve Airport Area Structure Plan (VAA ASP) on December 8. The County

withdrew the application to allow for additional consultation with regional partners before resubmitting in early 2023.

*"The Villeneuve Airport is a key regional economic asset. While we are confident in our application, we see this as an opportunity to further engage our regional partners and strengthen our plan, which will support more than \$1.8 billion in economic benefit and more than 1,750 jobs in the*

*region." - Sturgeon County Mayor Alanna Hnatiw*

Municipalities must refer new development plans to the EMRB – a requirement under the Municipal Government Act – so plans can be evaluated for consistency with the EMRB's Regional Growth Plan. In its recommendation to EMRB members, EMRB administration identified a few items in Sturgeon County's application that it considered

to be inconsistent with the Regional Growth Plan.

The VAA ASP is a development framework, and its approval means new investors can confidently consider investing in the region. The plan carries out the direction of the Villeneuve Airport

Area Master Plan, which provides an overall vision for future development in the area. The VAA ASP creates future-ready development strategies and demonstrates a tenacious focus on local and regional economic growth and diversification.

The lands surrounding the Villeneuve Airport are prime for investment in many sectors, including aviation and aerospace, defence, research and testing, advanced manufacturing, renewable energy research, agri-innovation and logistics.

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
