

Lions seeking their next Citizen of the Year

By Stephen Dafoe
and Morinville Online

The Lions Club of Morinville is currently accepting 2023 Citizen of the Year nominations.

Morinville and Sturgeon County residents have until Saturday, April 7, to send their submissions for that volunteer, couple or family with exceptional qualifications.

The Citizen of the Year, a tradition started by the Lions Club in 1968, is dedicated to those who provide services to the community. The Lions recognize volunteers every year for their service. As chosen by the residents, one or more prominent volunteers will be presented the certificate and trophy on Friday, April 14, at the Rendez-Vous Centre.

“It is important to recognize what people do to make this a better community to live in,” said Morinville Lions Club President Tina Gougeon.

Nominations should include how long the nominee has been a resident of Morinville or Sturgeon County, their group involvement, accomplishments over the past year and up to ten years, and commentary on the nominee’s commitment and personal involvement in the community.

Nominations should also include whether the nominees’ involvement significantly contributed to the community in the past year, how past experiences made a difference, and what the person has

Two long-time Morinville Community Library staff members marked an important milestone in February.

Library Director Isabelle Cramp and Library staff member Margaret Meetsma celebrated 20

years on the job.

Cramp started her journey with the library on February 4, 2003, and Meetsma joined the staff a day later, on February 5, 2003.

“It feels like I blinked,” Cramp said of the past two decades. “It doesn’t feel like 20 years, quite frankly.

The library keeps you so busy. It’s never boring. There are always challenges and things happening. Time flies.”

For Meetsma, who started at the library as a volunteer before becoming an employee, the past 20 years flew by like it was only five. “It’s been amazing,”

she said of the experience. “Where can you have a job that every day you have something different happen? If you have an office job, you can go in and do the same thing every day. [Here] Every half an hour, you are doing something different,

which is amazing for a job.” Job duties are one of many things that have changed since 2003. Cramp said when she started, the library was considerably smaller than it is today, and a little slower-paced.

“It was very much

different in terms of pace and the amount of technology we used back then,” Cramp said. “But otherwise, the heart of the library is still the same. Our focus is still the same; what can we do for

Public health inspection reports for public pools now online

Reports for personal services, childcare facilities will be available online soon

Albertans are now able to search and view public health inspection reports for public pools on ahs.ca/inspections, and will soon be able to do the same for personal services and childcare facilities.

This additional information will support Albertans in making health and wellness decisions for themselves and their families.

Albertans have had access to food facility inspection reports online since 2008. While pool, personal service and childcare facilities have always been inspected and reports available upon request, AHS has not previously posted the reports online.

New pool facility inspection reports are being posted and accessible online starting today; personal services facility inspection reports on April 3; childcare facility inspection reports on May 1.

"AHS works with all restaurant, pool, personal service and childcare

operators to ensure the facilities are safe and support the health of Albertans," says Mark Fehr, Executive Director for Safe Healthy Environments with Alberta Health Services (AHS).

"By enhancing online access to a broader range of public health inspection reports, this initiative will help Albertans make additional informed choices for themselves and their families."

Posting of the reports is happening in stages to align with capacity to conduct internal audits of information system and to respond to questions that might come from industry representatives.

"AHS has been working with these businesses to ensure they have the resources and information they need before we start posting reports publicly online," says Dr. Kathryn Koliaska, Medical Officer of Health, Safe and Health Environments, AHS.

"This includes online engagement sessions with impacted businesses and associations, as well as educational resources and access to inspectors for discussions."

Visit ahs.ca/eph for more information on the environmental health teams supporting our communities.

Albertans are also encouraged to visit ahs.ca/inspections to ensure they have information they need before choosing or visiting a service provider.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta.

Our mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans. Our current focus is on reducing emergency department wait-times, improving EMS response times, increasing access to surgeries, and improving patient flow.

ELECTIONS TO BE HELD FOR 3 POSITIONS ON THE BOARD OF DIRECTORS.

Nomination Packages can be picked up at Coronado Gas Co-Op office.
Closing date of March 22, 2023

MEETING TO BE HELD AT CORONADO UNITED CHURCH ON WEDNESDAY, APRIL 5, 2023 STARTING AT 7:00 P.M. ALL MEMBERS WELCOME!

Two long-time library staff celebrate a milestone

the community and the residents?"

Meetsma said one of the noteworthy changes is the use of computers in the library, which was just getting started at the library in 2003.

Today, most aspects of the librarian's job utilize computers, and public computer use continues to increase both in the library and for some of the programs, including Minecraft.

But adaptation, be it technology or programming, is part of what has occurred over the last 20 years and beyond. It is something Cramp said the library and its staff constantly do.

Both Meetsma and Cramp see the people on both sides of the checkout desk as a highlight of their work, and both appreciate working in an environment where all the staff get along well together.

Although many staff and patrons' faces have changed over two decades, many have not. While 2023 marks the 20th work anniversary for Cramp and Meetsma, this year is also the library's 56th year serving Morinville and area residents.

people from the community. The kids that used to be teenagers when we started—they're now bringing their children in," Meetsma said.

"And the adults then are now bringing their grandchildren.

Cramp added that some former young patrons are now published authors who have shared their work with the library and its patrons.

For Cramp, the joys are twofold; her dedicated staff and the excellent work they do, and the library's ability to maximize available resources to offer the materials and programs they do.

"I'm very lucky that we have a fantastic team working together," Cramp said, noting they work hard to stretch dollars.

"Everybody treats each other with respect, with love. We all work together for a common goal, and I feel like it's always been that way at the library."

While 2023 marks the 20th work anniversary for Cramp and Meetsma, this year is also the library's 56th year serving Morinville and area residents.

**Kimberly Ann
Biro (nee Pearce)**

November 14, 1963 - February 16, 2023

It is with great sadness and heavy hearts that we announce the passing of our much loved mother, daughter, sister, wife and best friend, Kimberly Ann Biro (nee Pearce) on Thursday, February 16, 2023 at the age of 59 years.

Kim fought a long and courageous battle with cancer. Through it all, she remained positive and chose to live life to the fullest, spending time with family and friends making memories that we will all cherish forever. She was the most caring and fun-loving person, you could always count on her to lend an ear, give a helping hand, or offer words of advice and encouragement. She will be greatly missed by all that knew and loved her.

Kim was born in Edmonton and grew up in St. Albert, while spending many fun weekends in Alberta Beach at her family's cabin. Kim settled in Morinville in 1986, and was an active member of the community, where she proudly raised her boys, Kolton and Landon. Kim met her husband Blaine in 2011. Their love flourished over the next 12+ years, travelling and enjoying great times at the lake. Kim followed in her mother's footsteps and had a successful career in banking, where she committed to over 31 years of industry service (Credit Union/Scotia Bank), before retiring in 2018. Kim's happy place was at the lake campground where she enjoyed gardening, playing games, golfing, crafting, and socializing with their many friends.

Kim is survived by her loving husband, Blaine; sons, Kolton Massey and Landon Massey; parents, Ron and Marjory Pearce; sister, Candice (Allen) Brent; nephew, Emerson Brent; as well as numerous extended family and friends.

In lieu of flowers please consider a donation in memory of Kimberly to the Cross Cancer Institute - Alberta Cancer Foundation.

We wish to thank Dr. Anil Abraham Joy and the staff at the Sturgeon Community Hospital for the care they provided to Kim and her family.

The family invites you to join them to honor Kim in a Celebration of Life on Saturday, March 11, 2023, anytime between 1:00 pm to 5:00 pm at the Royal Canadian Legion, 10120 - 101 Avenue, Morinville, Alberta.

Morinville Jets playoff season comes to a close

By Stephen Dafoe and Morinville Online

It was a do-or-die outing for the Morinville Jets on Tuesday night. After dropping the first two games of a best-of-five playoff series with the North Edmonton Red Wings over the previous weekend, the Jets needed to win Tuesday's game and two more as well.

Unfortunately, it was not to be for a club that had a solid regular season.

The Jets fell 5-1 on home ice, bringing the series and their playoff run to an end.

Things looked promising on Tuesday night during the first period as the Jets put pressure on the Red Wings, outshooting them 6-1 seven minutes into the game.

When the Red Wings picked up a penalty at 12:50, it looked like the Jets might be able to

capitalize on that opportunity. But just nine seconds later, the Red Wings caught a break-away and pocketed their first goal of the game shorthanded.

They would score another at 2:17 and a final first-period contribution with 8 seconds left on the clock to lead the game 3-0.

Midway through the second period, the Red Wings picked up another shorthanded goal to lead the contest 4-0.

The Jets would not respond to that goal until 6:04 in the third period, their first of the game. With the Jets serving a five-minute penalty, the Red Wings picked up their fifth and final goal on a powerplay with 3:04 on the clock.

Despite the loss, both sides were closely matched in chances at 38-35 in North Edmonton's favour.

Jets' President Brent

Melville noted Tuesday night that several of the team's top players were out with injuries, including defensemen Graeme Hampton and Dylan Cyr, both out with shoulder injuries; Isaac Kinsella, who was out with a medial collateral ligament (MCL) injury, and

Colby Maclean, who broke his collarbone during Friday night's series opener.

Though playoffs are over, the Jets scored significant achievements in the Capital Junior Hockey League Awards.

Blake Sydlowski was named the

League's Most Valuable Player and League's Top Scorer.

Additionally, Sydlowski was named First Team All-star for forward, and Graeme Hampton was First Team All-stars for defence.

Kye Buchanan was named Second Team All-star for forward.
