## Morinville residents powerlifters winners

Morinville residents and powerlifters from left: Scott Wallace, Cole Wallace, and Marion Peterson returned to Morinville Monday with five medals between them, one each for Cole Wallace and Marion Peterson, and three for Scott Wallace.

Sixty-one-year-old Marion Peterson took first in her division and weight class for full power (squat, bench press and deadlift) and set a Canadian National Deadlift Record in the Deadlift with 120kg (264 pounds) and also for Full Power Total of 246kg (541.2 pounds).

Scott "Crusher" Wallace took first in his division and weight class in Full Power (squat, bench and deadlift) with 2 Canadian national records in Bench and Deadlift. Wallace's full power total was 608 kg (1340 pounds).

Wallace also placed 1st in his division and weight class for bench press only at 155kg (341) and first in his division and weight class for deadlift only at 258kg (567.6 pounds). That lift set the deadlift-only Canadian National Record.

Wallace's son Cole also took first place for Junior. Cole competed in the deadlift only and lifted 115kg (253 pounds). - **Evan Porter Media photo**

## Rotary Club of Morinville Sturgeon bottle drive supporting several community initiatives

By Morinville Online Staff

Rotary International is a global service organization that brings together business and community leaders to promote humanitarian causes and advance goodwill worldwide. Founded in 1905 in Chicago, Rotary has grown to become one of the largest and most respected international service organizations, with more than 35,000 clubs in more than 200 countries and territories.

At the heart of Rotary are its local clubs, like The Rotary Club of Morinville Sturgeon, impacting their communities positively.

On Saturday, March 18, the Rotary Club of Morinville Sturgeon did a multi-location bottle drive, part of an ongoing initiative to raise funds to support local community groups.

Rotarians set up collection locations at Sobeys Morinville, Westwinds Shell, Circle K / Esso, and Camilla School in Rivière Qui Barre.

Rotary clubs bring together like-minded individuals who are committed to improving the lives of others through service projects, fundraising, and advocacy.

## Rotary Club of Morinville Sturgeon bottle drive supporting several community initiatives

Continued from **page 1**

Whether building a playground, supporting a local food bank, or providing disaster relief, Rotary clubs work to make their communities stronger, healthier, and more vibrant.

The Rotary Club of Morinville Sturgeon bottle drive program has raised more than \$18,000 to date. Funds raised this year will support several community initiatives,

including the Jessica Martell House playground, Camilla School Theatre production, Morinville Marvelous Moms Adopt-a-Family, Morinville Library Children's reading and crafts, the Morinville Chamber of Commerce, The Morinville Food Bank, and the Morinville Festival Days.

One of the unique aspects of Rotary is this focus on building relationships and fostering goodwill between

individuals, community groups and the communities in which they serve.

Although the St. Patrick's Day weekend bottle drive is over, those wishing to support the program can use the Rotary's Skip The Line at the Morinville Bottle Depot any time.

The depot will convert your bottle to cash for the Rotary Club of Morinville Sturgeon bottle drive program.

# SCHS student designs MFGA's new logo

By Lucie Roy and Morinville Online

Sturgeon Composite High School (SCHS) student Luke Maslanko created the new logo for the Morinville Fish & Games Association (MFGA).

MFGA President Joe Dwyer, along with Wayne Bhnisch and Clayton Pennell, were at the school on Tuesday, March 14, to present a cheque for

\$250 and thanked the student for the design.

SCHS has students in the Career and Technology Studies (CTS and Locally Developed Courses (LDS).

Maslanko was in the Communication Technology class, and the teacher Kyle Swenson offered the students the challenge for their course to do a graphic design for the MFGA logo

contest. Swenson said students do client service work and have been approached by staff and community who will ask for a graphic design.

Usually, it is specifically for printing on shirts, banners and other items but they never had someone request a logo redesign.

Swenson said it was great that MFGA offered the opportunity,

farming it out to local talent.

MFGA presented their original logo to the school and was looking for a re-branding.

Some parameters were provided, and MFGA wanted to have fish, wildlife and a sense of landscape.

After a review of the image and a bit of give and take from the school to MFGA, the final design was created.

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

## ARIES Mar 21/Apr 20

Requests from friends, associates and family this week can have your nerves on end, Aries. You may have to escape the crowds to recharge. Plan a getaway in the next few days.

## TAURUS Apr 21/May 21

You are awesome at staying on track when you need to be, Taurus. That is what makes you a potentially ideal fitness guide. Try to inspire others to be regimented as well.

## GEMINI May 22/June 21

There is nothing wrong with putting rose-colored glasses on from time to time and looking at the world in a more positive way. A more positive outlook can be helpful, Gemini.

## CANCER June 22/July 22

Cancer, be sure that your generous nature does not come at the expense of your own well-being. You tend to put other people's needs before your own quite often.

## LEO July 23/Aug 23

Leo, for some reason you are having problems finding balance in your life right now. You may have to experiment a little bit to see if new strategies might work.

## VIRGO Aug 24/Sept 22

Let others in on some of your secrets, Virgo. You can't hold everything in all of the time, and you have been shouldering a lot of responsibility for some time.

## LIBRA Sept 23/Oct 23

Libra, the personalized touches you put on any project will showcase your personality and passion. Think about embracing a crafty task to really showcase your talents.

## SCORPIO Oct 24/Nov 22

Scorpio, friends are lining up to be quite helpful of late. When you figure out how much you're getting done with the assistance of others, you may be more welcoming of it in the future.

## SAGITTARIUS Nov 23/Dec 21

Overcome resistance to listening to another person's side of the story, Sagittarius. Embrace this person's desire take the lead on something at work or in your home life.

## CAPRICORN Dec 22/Jan 20

A changing environment has you figuring out how to adapt your schedule and your skills, Capricorn. With a support team in your corner, you can achieve quite a bit.

## AQUARIUS Jan 21/Feb 18

Spending is a tad out of control this week, Aquarius. Money is flying out of your wallet at a rapid rate. You may need to be a bit more choosy with your spending moving forward.

## PISCES Feb 19/Mar 20

Wait a few more days before making major decisions as your emotions are high right now, Pisces. You want a level head to prevail.

### PUBLIC NOTICE

#### Proposed SCADA Communications Tower for the Capital Northeast Water Services Commission (CRNWSC) in Sturgeon County, Alberta

Westcan Advanced Communications Solutions ("Westcan ACS") would like to notify area residents of a proposal to install a new permanent wireless communications tower at the On-Line Storage and Pumping Station situated at 22327 Township Rd 552, Sturgeon County, AB, T0A 1N0. Westcan ACS is therefore undertaking the prescribed public consultation process required by Innovation, Science and Economic Development Canada (ISED) policy for Radiocommunication and Broadcasting Antenna Systems, CPC-2-0-03.

The proposed installation will be a 50-meter or 160-foot free-standing tower for a new wireless communications system within the fenced confines of the facility. The geographic coordinates of the site are: Latitude: 53.744972° N, Longitude: 113.221444° W.

Westcan ACS strongly support co-location on existing towers and structures as this minimizes the number of towers in a given area and is a more cost-effective way of building new infrastructures. Unfortunately, there were no structures in the area that met our network requirements. The tower is required to establish a wireless link for transmission of radio signals to continuously monitor the operations of the CRNWSC water distribution system and ensure uninterrupted supply of safe drinking water to the member municipalities served by the CRNWSC.

On-Line Station proposed 50-meter tower

CRNWSC Vicinity Map

Westcan ACS attests that the radio antenna systems described in this notification package will comply with Health Canada's Safety Code 6 limits, as may be amended from time to time, for the protection of the general public including any combined effects of additional carrier co-locations and nearby installations within the local radio environment. For more information on Safety Code 6, please visit the following Health Canada site: <https://www.canada.ca/en/health-canada/services/environmental-workplace-health/radiation>.

Westcan ACS attests that the proposed tower installations will respect good engineering practices, including structural adequacy, and will be constructed in accordance with CSA S37-13 Antennas, towers, and antenna-supporting structures.

Westcan ACS has completed the submissions for Transport Canada aeronautical obstruction marking assessments and will abide by their tower lighting and painting requirements as per Standard 621. NavCanada has no objection to the proposal.

Westcan ACS attests that the radio antenna system described in this notification package is excluded from environmental assessment under the Canadian Environmental Assessment Act

The project is being carried out in consultation with the Sturgeon County Planning and Development office. General information relating to antenna systems, including the CPC, can be found at <http://www.ic.gc.ca/eic/site/smt-gst.nsf/eng/sf08777.html>.

Public consultation will be open during the period of **March 29, 2023 to April 26, 2023**. Anyone seeking further information, or who wishes to comment on this project is requested to direct their communication to the following:

# Namao Trail Busters busy start to 2023

By Flint Denham

The Namao Trail Busters 4-H Club has kicked off 2023 with a bang. With six members all doing the same project this year, we are doing as much as we can.

January 8 was our winter party. A full day of sledding. January 31, we had a jumping good time at the Launch Pad in Edmonton.

Our club communication day was February 12. Flint Denham and Madyson Duby spoke as Juniors. Molly Denham and Arlyss Gerlinsky spoke for Intermediate. Rory Milligin Fox was our senior speaker, and Jordyn Thimer was our MC.

Flint and Arlyss continued on to Districts and Arlyss went on to Regionals. On February 26, the club explored the Alberta Museum in Edmonton.

## Sturgeon County reaches historic municipal milestone, contributing more than \$500,000 to STARS

STARS and Sturgeon County celebrated a monumental milestone today at the STARS base in Edmonton.

The county was recognized as the first municipality in central Alberta to contribute more than \$500,000 to STARS and have its logo unveiled on one of STARS new H145 helicopters.

While this milestone is new, the relationship between STARS and Sturgeon County is not.

Since 2006, the county has donated a total of \$550,234 to STARS to help protect its communities and citizens.

“This is what we mean when we say STARS was built by the community, for the community,” said Andrea Robertson, STARS president and CEO.

“We hope everyone in Sturgeon County feels a sense of pride when you see your logo on the helicopter, knowing that you are helping us save lives. We are very grateful for this support and this solid relationship.”

“We are proud to support STARS and the lifesaving work it does, both in our community and throughout Alberta,” said Sturgeon County Mayor Alanna Hnatiw. “Contributions to STARS help keep their helicopters in the air, which means our residents and our neighbours continue to have access to critical medical care when they need it most.”

In the past year, STARS carried out 3,515 missions across the Prairies, with 1,667 from Alberta bases and 22 to Sturgeon County alone. Many of the missions carried out by STARS in Sturgeon County have been coordinated with Sturgeon County Protective Services as valuable partners in providing critical care.

Sturgeon County’s ongoing commitment makes an impact and helps STARS deliver critical care to its residents, ensuring they have access to care when they need it the most. About 90 percent of Alberta’s rural municipalities support STARS and Sturgeon County is proud to be one of them.

The students at Legal Catholic School were blessed to have Father Lester visit and lead them in praying the stations of the cross last week.

It's wonderful to see so many families come and check out the recent open house of the Legal Catholic School. It was a great turnout!
