So Noted Choir and Acting Out Musical Theatre join forces for festive show

By Stephen Dafoe

A choir concert with audience sing-alongs, games, and Christmas trivia will occur on Saturday, Dec. 9, at 2:30 p.m. for one show only at St. Albert United Church (20 Green Grove Drive).

The show, a partnership between Acting Out Musical Theatre and So Noted Choir, is a unique way to celebrate Christmas.

"This play will be a fun experience where three very different people attend the same party and discover that they are not so different after all," said Morinville resident and So Noted Choir member Sheila Scharmann. "There is some mixup as to whether the party is a pizza party or a Christmas party, but by the end, it doesn't

matter as the attendees find that everyone is insecure sometimes. Everyone withdraws at times and judges themselves too harshly while failing to notice that others feel the same way. They realize that we all need reassurance and acceptance and that by supporting each other, we can have a positive impact on the lives of those who struggle."

Scharmann explained that there will be Christmas jokes, trivia, stories, and a sing-along during the concert, as well as a 50/50 draw and two door prizes of Christmas Cheer baskets. And, as the title suggests, everyone who attends will be given a piece of pizza to go at the end of the show.

So Noted has 40 members, and looking to expand.

Acting Out Musical Theatre has 15 members plus a crew made up primarily of friends and family of cast members.

Scharmann has always sung, even travelling to Europe with a choir when she was at Camrose Lutheran College. She has been involved with So Noted for about eight years.

"After my husband passed away, I was looking for a group so I could become engaged with the community again. I never really had time to look into joining another choir until I retired," she said. "So, after Fred passed away, I was looking around on the internet and stumbled across the website for the St Albert Singers Guild."

Scharmann said she was

hooked after the first rehearsal. So Noted spun off from the Guild, and she followed the new Choir's director, Criselda Mireau. It has been a positive experience she hopes to be part of for many years.

"What I have found in singing under her direction is a choir family that has forged strong bonds and, as a result, care for each other as a blood family does," Scharmann explained. "Criselda is immensely talented with a great sense of fun, so she challenges us with a variety of music and styles, while encouraging us to enjoy the music and the sense of accomplishment we achieve when we perform. Each rehearsal and production is great fun - we have many laughs as we hone our craft. I have learned so much about the technical aspects of singing as well."

The other side of the production's partnership is Acting Out Musical Theatre. Scharmann

said Mierau and director Tim Anderson collaborate to produce the shows they put on. Mierau's daughter Katya Mierau also assists with writing and directing.

"The cast is mostly made up of young people who love Acting Out, but there are some seasoned veterans in the group, too," Scharmann said, noting she hopes to see many Morinville and Sturgeon County residents and the show.

"There is no better way to get into the Christmas spirit than to go to a concert or play. We're providing both, so it's win-win," Scharmann said.

"The music she [Mierau] chooses is a mix of old beloved classic carols mixed with upbeat songs that perhaps some of the audience will not have heard before. Even some of the well-known and loved Christmas songs get a new twist with the exciting and innovative arrangements she has chosen. Music lovers will be delighted." Tickets are \$20. Fun By The Numbers: Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

SCHOOL NEWS

Sturgeon Composite High School

Congratulations to our incredible volleyball teams on their outstanding achievements in the 2023 season!

Our Sr. Girls Volleyball team and Sr. Boys Volleyball team both secured championship victories, winning the Division

4 Metro Athletics Championship games – both against the Fort Saskatchewan High School Stingers.

Additionally, a big shoutout to our Jr. Boys Volleyball team for bringing home the 2023 Division 4 Champions Banner in their final matchup

against the Edmonton Islamic Academy. Way to go, Spirits! Your hard work, dedication, and sportsmanship make us proud.

Guthrie School

Guthrie School values and honours the contributions of the resilient members of the Canadian Armed Forces. Commemorating those who have sacrificed for the greater good is an important way to instill a sense of gratitude and respect among our school community. Having most of our families directly linked to the military creates a unique and close knit atmosphere, fostering a deep appreciation for the sacrifices made to safeguard shared values.

The participation of distinguished guests, appreciative parents, and treasured students in our Remembrance Day ceremony reflects a collective effort to show respect and gratitude. Such ceremonies not only acknowledge the sacrifices of the armed forces but also serve as a poignant reminder of the importance of unity and remembrance. It's heartening to know that the Guthrie School community takes pride in organizing and participating in such moving ceremonies.

These events contribute to the broader recognition of the sacrifices made by the military, fostering a strong sense of community and shared values.

Guests included Colonel Dove, Chief Warrant Officer Drollet, Padre Davis, MP School Liaison Michelle Pierce, Sgt Alastair Chaplin, Sgt McManus, MCpl Mckay, Minister Nally, MLA Goehring, Deputy Mayor Derouin, Amber Horricks, and Rita Raposo.

Namao School

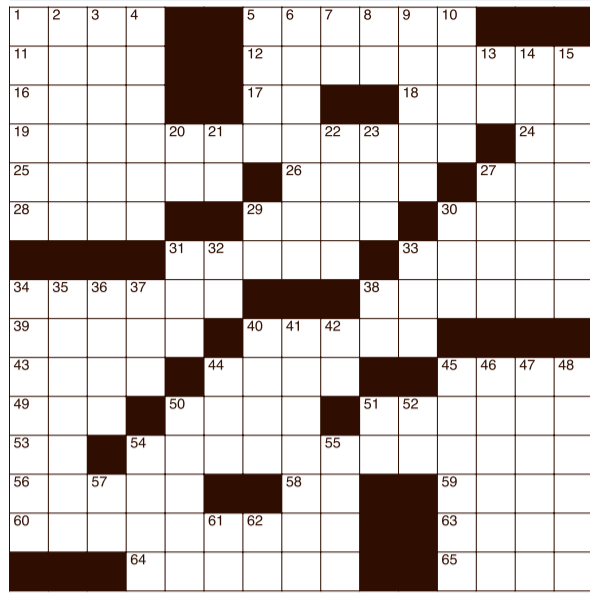

Our leadership team is always willing to lend a helping hand to our younger students! During this particular day, they were helping our grade 3's with a math activity. They also organized our school's Halloween activities; we had a dance in the gym, a spooky movie, or a board-game room to choose

from, along with a concession stand to help raise money for their farewell at the end of the year!
