

Mr. MTR Memorial Tribute Run will support Veterans Association Food Bank

Riders depart from the Gibbons Legion in this file photo of the 2023 Mr. MTR Memorial Tribute Run.

By Stephen Dafoe

It has been almost seven years since Morinville business owner and motorcycle enthusiast Marty Robillard passed away at 54, but the fundraising motorcycle ride he helped get on the road eight years ago continues again this year in his memory.

The Mr. MTR poker run will take place

on Saturday, June 1, departing from the Morinville Fish & Game Association in Morinville.

The event is a partnership between the UN NATO Veterans Sturgeon Crew and the Morinville Lions Club. This year's event proceeds will again go to the Veterans Association Food Bank.

Robillard loved to ride a motorcycle,

particularly the annual scenic ride. The late businessman wanted to give back to the community and helped start the event. On his passing, organizers turned the yearly event into a memorial run in his memory.

"We encourage everyone who rides to participate and help us raise funds for The Edmonton Veterans Association Food

Bank," said Technical Automotives owner Deborah Robillard.

"We also encourage those who do not ride to stop by and purchase a burger and a non-alcoholic beverage for \$5. We look forward to a successful run once again this year."

Pre-registration for the ride is now open for \$25 per participant and \$15 per passenger. The price

includes one poker card for the poker run, and participants can purchase additional cards at \$20. The best poker hand wins \$250, and participants need not be on the ride to buy poker cards.

Those interested in riding can register at Technical Automotives Inc. (9802 - 90 Ave, Morinville).

Those wishing to register on the day of

the ride will pay \$30 per rider and \$20 per passenger at the Morinville Fish & Game Association Club House on 107 Street in Morinville. Registration will be from 8 a.m. until 9:45 a.m. Kickstands will go up at 10 a.m. sharp.

A post-ride barbecue is included with registration, and there will be a 50/50 draw, poker run and door prizes.

Morinville Library is getting crafty this May

By Stephen Dafoe

The Morinville Community Library is embracing spring and getting crafty with three creative programs this May. Two require pre-registration, and one is a drop-in option.

On Saturday, May 11, the Library will host a parent-child workshop from 12:30 to 3:30 p.m. The workshop is limited to six

pairs of participants.

The workshop will allow parents and their children aged eight to 12 to create a fairy garden. Pre-registration is required for the free program.

Morinville Community Library Program Coordinator, Jessica Sheppard, said the activity involves decorating a terracotta pot to make a fairy house.

"We are supplying all materials, and each parent and each child will get one," Sheppard said, noting participants can work independently or collaborate. "There are little wooden fairy doors you can decorate. We will be supplying greenery and little flowers. We also have paints."

Sheppard said fairy

gardens, mushrooms and cottagecore are popular decorating trends today, making the upcoming workshop perfect for spring.

"Everybody loves mushrooms right now. They're cute. They're colourful," Sheppard said of the fungus in current decorating and clothing trends. "Everybody is into cottagecore, especially now that it's spring. When I think of spring, I think of fairies, mushrooms, and flowers."

Sheppard said the program age group came about at patrons' request, as their children were too young for teen programming and too old for many of the library's regular craft programs.

"It's just a day to have that bonding experience with parent and child," Sheppard said, noting participants can enter their name for a draw for a 216-piece Lego daffodil flower set. "We'll

have snacks and coffee for the parents."

Other May Events

On Saturday, May 4, from 12:30 to 3:30 p.m., Sheppard and fellow Library staff member Shelley Faganello will host a Spring Hoop adult workshop. Participants can make a decorative ring for a door or table.

Participants can make the decorative item using a wood hoop, a metal ring, and other spring-themed supplies.

The free program is limited to 12 to 15 participants, and registration is required.

The library is also planning a Taylor Swift Friendship Bracelet drop-in activity open to all on

Wednesday, May 15, from 5:30 to 7:30 p.m.

The idea came from a trend among some Taylor Swift concert attendees to make bracelets, sometimes with lyrics on them, and trade them with other concertgoers.

The library is providing all strings and beads for the drop-in program. Children under the age of eight will require parents or guardians to sign a permission slip.

Registration for the two limited programs can be done by dropping into the library's front desk. More information on Library programs can be found on their Facebook page or by visiting MorinvilleLibrary.ca.

Morinville Community High School winners

Morinville Community High School began its 25th year of Skills Alberta competition at the Edmonton Regionals on Saturday.

Held at NAIT and Marvel College, nine MCHS students competed in a variety of trade/technology areas to secure a spot at next month's Skills Alberta Provincial Competition:

- Amy Begg** - Cabinet Making
- Jacob Trenchard** - Cabinet Making
- Brad McCagherty** - Culinary Arts
- Madison Rogers** - Hairstyling Intermediate
- Jillian Andrews & Sofiya Chvojka** - Video Production (team competition)
- Avery Pelletier & Briana Farough** - Video Production (team competition)

When the dust settled, five students' earned spots on the podium. Jacob Trenchard followed up this silver medal performance at

This represents the 15th gold medal MCHS has won at Skills over the last 25 years. This is on top of seven silver and nine bronze medals.

All five of these students are moving on to the Skills Alberta Provincial Competition which will be held on May 8 and 9 at the Edmonton Expo Centre. They will join four other MCHS students who have already qualified:

- Jacob Prodaniuk** - IT Office

Fun By The Numbers:

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Sturgeon Composite High School

Over Spring Break, Sturgeon Composite High School students embarked on two remarkable journeys, one group traversing the historic landscapes of Italy and Greece, while our Rugby teams explored the picturesque landscapes of Ireland. In Italy and Greece, they were awestruck by ancient wonders like the Coliseum and the Acropolis, while also delving into cultural treasures such as Trevi Fountain and the Vatican. Meanwhile, our rugby players in Ireland engaged in exhilarating

exhibition games against top Irish U18 teams and benefited from training sessions with renowned coaches. Memorable excursions included visits to historic landmarks like Spike Island prison, the Titanic experience, and the breathtaking Cliffs of Moher. These journeys were transformative experiences, fostering cultural immersion, personal growth, and the forging of lifelong friendships.
