## Morinville Shines at 136<sup>th</sup> Tournament of Roses Parade in Pasadena

By Lucie Roy

There was a touch of Morinville at the 136th edition of the Tournament of Roses Parade held on January 12, 2025 in Pasadena California.

The annual parade is a 5.5 mile walk through Pasadena with flower-covered floats and marching bands from across the world.

The Rotary Rose

Parade Float Committee (RRPFC) has one Canadian Ambassador Club and that is the Rotary Club of Morinville Sturgeon.

There are two National Advisors from Canada, both from Alberta, one from the Morinville Sturgeon Rotary Club and one with St. Albert Saint City Club.

The Rotary Club of Morinville Sturgeon

is part of the PR and Marketing on the Marketing and Branding Subcommittee as well as a member of the Fundraising Committee.

Involvement with the RRPFC started just prior to covid when a member of the St Albert Saint City Rotary made a presentation on the 2018 Rotary Rose

The International Director of Morinville at the time was

encouraged by Rotary International to participate with other Rotary clubs.

With covid in effect it was suggested to join via zoom the RRPFC.

Morinville has

been involved ever since.

The Morinville vision was to be involved with the float when the Rotary International President was the first female- and she was from Canada. This was known as the Year of Canada when Jennifer Jones was the RI President.

Being involved with the two committees means discussing 25 designs and eliminating all but five. The final design is then voted on by the committees and a discussion on the float concept is had from start to finish.

This includes how many can sit on the float, fire and safety if they have to get off the float, the costumes, the flowers, the colours, the walkers /riders and more.

Float theme "On the Road with Rotary" is a powerful representation of the work Rotary does globally to bring positive change and uplift communities.

The Tournament of Roses Parade provides a remarkable opportunity to showcase the reach

and significance of Rotary's worldwide efforts and with the float continue to create magic, bringing hope and inspiration to communities worldwide.

This year the theme from the Tournament of Roses was "The Best Day Ever" and the Rotary float theme was "On the Road to Rotary" with a cat taking a selfie with all the

friends on board the vehicle for a trip.

The float received the Most Outstanding Floral Presentation Award for a Float under 35 feet.

As soon as one parade is finished work starts immediately on the next year's float with weekly meetings that started on the January 8.

The RRPFC has been active since 1980.

# Staying active and connected: the importance of community programs for seniors

By Shelley Winger

As we age, staying active – both physically and socially – becomes more essential than ever.

In communities across the country, local programs are providing seniors with vital opportunities to stay engaged, enhance their health, and connect with others. These programs, ranging from exercise classes to social gatherings, are making a real difference in the lives of older adults.

One of the most significant benefits of these community programs is the reduction of isolation. For many seniors, staying socially active helps maintain a strong sense of belonging.

Programs that encourage interaction, whether through group discussions, hobby workshops, or simple

gatherings, provide a much-needed outlet for connection.

Being part of such groups has helped many seniors remain engaged in life and build meaningful relationships with others in the community. Along with social benefits, many senior programs focus on physical health.

Classes like chair yoga, water aerobics, or walking groups provide low impact ways to stay active. Regular physical activity is proven to reduce the risk of chronic conditions, improve mobility, and boost mood.

Seniors who take part in these programs often experience improvements in their energy levels, overall fitness, and overall quality of life.

The mental stimulation provided by community programs is just as vital.

Educational classes,

games, and creative workshops help keep minds sharp and curious. Many seniors also enjoy learning new skills, whether it's painting, learning a language or using technology.

In addition to these physical and mental benefits, the emotional well-being that comes from staying busy is undeniable. Active participation in community life helps seniors maintain a positive outlook, preventing feelings of loneliness or depression.

Health experts note that staying engaged in a variety of activities can significantly improve mental and emotional resilience.

For seniors looking to explore new opportunities and gain valuable knowledge, a series of informative workshops is coming up. In partnership with the Town of LeGal, Sturgeon County,

and the Club 60 Roses, three FREE workshops will be offered on popular topics relevant to seniors. Refreshments and snacks will be provided at each session.

The upcoming workshops include:

- Downsizing &

Organizing February 5th, 11:00 a.m. – 1:00 p.m.

• Canada Revenue Agency March 5th, 9:00 a.m. – 10:00 a.m.

• Estate Planning & Wills April 9th, 9:00 a.m. – 10:00 a.m.

These workshops will be held at Club 60

Roses (5320 A – 46 St, Legal).

The sessions are free to attend, but phone-in registration is required. To sign up, call 780-961-3773.

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**Fun By The Numbers:** Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

## Bon Accord Community School

Students at Bon Accord Community School filled shopping carts with donated food during the school's annual food bank drive, showing their generosity and teamwork as they gathered supplies to support those in need.

Students proudly stood together after organizing a highly successful food drive, which collected an impressive amount of donations to benefit the community. Their hard work and dedication

not only provided essential supplies to those in need but also fostered a strong sense of teamwork and compassion among the group.

## Local food banks, a lifeline for communities

By Shelley Winger

Food banks are essential in fighting hunger and alleviating food insecurity, providing vital resources to families and individuals facing economic challenges.

These nonprofit organizations collect, store, and distribute food to those in need, helping to ensure that no one goes hungry.

Food banks offer immediate access to food for individuals experiencing financial hardship. Whether due to job loss, health issues, or other crises, food banks provide essential support when it's needed most.

In addition to food, food banks strengthen communities by creating networks of

volunteers and donors. These organizations often collaborate with local businesses and farms, reducing food waste while helping those in need.

Food banks provide critical assistance to vulnerable populations, such as children, seniors, and the homeless.

These groups often face greater barriers to accessing nutritious food, and food banks play a key role in improving their quality of life.

Bon Accord Community Schools annual Food Bank Drive is a prime example of how food banks can transform lives. Founded with the mission to fight hunger, it has supported many people by providing

food through its partnerships with local organizations and volunteers.

Food banks rely on donations of food, money, and time. By volunteering or contributing, you can help ensure that food banks continue to serve those who need it most. Even small donations can make a significant impact in the fight against hunger.

Food banks play a critical role in addressing hunger and food insecurity, offering immediate relief while fostering community resilience.

Supporting these organizations is a powerful way to help build stronger, more equitable communities for all.
