Local volunteers recognized for years of service in Morinville

By Haylee Winger

The Lions Club of Morinville and the Rendez-Vous Centre

partnered to host a Volunteer Appreciation event on Friday, March 27 at the Rendez-Vous Centre. Both organizations recognized volunteers from Morinville and Sturgeon County through their respective awards programs. Guests

included Morinville Mayor Simon Boersma and Sturgeon County Deputy Mayor Kristin Toms. Mayor Boersma spoke about the collaboration between the two organizations, noting the evening provided an opportunity to celebrate

individuals who help make communities strong – those who give their time, support others, and contribute in meaningful ways to the lives of those around them.

Dale Nally, MLA for Morinville – St. Albert, was unable to attend but submitted a letter that was read by Lions Secretary Bev Lussier. Gary Pool presented

the 2025 Rendez-Vous Centre Heritage Award to Henry Lamoureux and Lorraine Lamoureux in recognition of

their long-time voluntary service to the community.

Pool noted that Henry Lamoureux has served as a Rendez-Vous Centre director for the past 11 years, focusing on maintenance and repairs.

His work has included repairing

brickwork on entry-way sidewalks, conducting annual spring cleaning of windows and eaves, mowing, and installing new lighting at both entrances and the fire exit.

He also arranged for the installation of more energy-efficient lighting throughout the centre, improved shelving, upgraded

insulation around window wells, addressed heating system concerns, and repaired small appliances – among many other tasks carried out through volunteer efforts.

Lions Club President Sheldon Fitzgerald presented the 2025 Citizen of the Year award to Eileen Vollmer and Frank Vollmer.

Their nomination highlighted volunteer work with Knights of Columbus breakfasts, many years of service at Red Cross Blood Donor Clinics, and support for the Sturgeon Community Hospital Foundation.

Frank has also participated in Alberta stick curling and the Alberta Winter Games.

The Vollmers, along with friends and family, have also contributed significantly to Lions District C-1 through their pull can tab donations.

Frank noted they are currently working on their fifth 45-gallon drum, which is

nearly full.

In 2019, when donating their second drum, Eileen remarked that collecting tabs is simple to do and helps many people.

The couple emphasized the importance of recognizing the friends and family who have contributed to the effort.

The Lions Pull Tab Collection Program remains highly active.

Over the years, the Vollmers' contributions have helped

fund the purchase of wheelchairs for community residents. Currently, proceeds from collected tabs are donated to the Stollery Children's Hospital for diabetic supplies. Donations from their second and third drums totaled approximately 185 pounds of pull tabs.

Wayne Hoggarth of the Midstream Support Society was also recognized for more than 10 years of dedicated volunteer service.

His contributions

include maintaining the building exterior, managing storage, repairing shelving, accepting donations, testing electronic equipment, and performing a wide range of other tasks.

The event served as a reminder of the strong spirit of volunteerism in Morinville and Sturgeon County, where individuals continue to make a meaningful difference through their time, effort, and commitment to others.

From seeds to savings: Morinville offers free gardening workshop

By Shelley Winger

For many Canadians, grocery bills have become a growing source of stress. Food prices surged starting in 2021 and stayed high through 2022 and 2023, with staples like fresh produce, meat, and dairy rising faster than overall inflation. Even as other

costs have stabilized, groceries remain significantly more expensive than before the pandemic, forcing households to re-think how they shop and eat.

Some families have responded by comparing prices more carefully, choosing store-brand products, and cutting back on higher-cost items. Lower-income households have felt the pinch most acutely, as a larger portion of their income goes toward food. In this environment,

home gardening has emerged as a practical way to stretch the grocery budget while still enjoying fresh, healthy meals.

Growing food at home doesn't require a large backyard. Even balcony planters or a small community garden plot can yield a surprisingly productive harvest. Lettuce, radishes, spinach, carrots, and peas are all well-suited to Alberta's growing season, while herbs like basil, parsley, chives, and mint thrive in smaller

containers. Gardening allows households to plan for longer-term harvests, preserve excess produce, and enjoy seasonal flavors without paying premium prices at the store.

The financial impact can be meaningful. A modest plot of leafy greens, root vegetables, and herbs can reduce grocery bills by hundreds of dollars over a single growing season. For families looking to take control of rising food costs, even a few

square meters of productive garden space can make a noticeable difference.

To support local residents, Morinville FCSS and the Morinville Centennial Community Gardens Society are offering a beginner-friendly workshop on Wednesday, April 15, 2026, from 6:30 to 8:30 p.m. at the Morinville Community Cultural Centre.

The session will cover soil preparation, selecting plants suited to Alberta's

climate, and basic care for vegetables and herbs.

Participants will also enjoy a light dinner.

Registration is required and can be completed online at <https://ow.ly/00zx50YvBhS>.

The workshop provides a hands-on introduction to gardening, giving residents the skills and confidence to start their own gardens, save money, and enjoy fresher, homegrown produce.

PUBLIC HEARING – Bylaw 1700/25 Resource Extraction Regulation Amendments

Sturgeon County Council requests public input on proposed Bylaw 1700/25.

An extraction operator wants to amend the setback regulations that were implemented in 2023. While the standard setbacks for resource extraction to surrounding dwellings would remain, there would be no defined setback for a dwelling:

1. located on the parcel being extracted
2. on lands owned by the operator
3. with written landowner consent for a reduced setback
4. constructed after the land was redistricted for resource extraction

Proposed change #3 would re-introduce private operator and landowner agreements that were used before 2023.

A bylaw is needed to amend the Land Use Bylaw, and a public hearing must be held.

View the proposed Bylaw at sturgeoncounty.ca/public-hearing-bylaw-1700-25

Public Hearing details

The Public Hearing will be held in person and via videoconference on: **Tuesday, April 14, 2026 @ 1 p.m.** (or as soon as practical thereafter) at Sturgeon County Council Chambers (9613 100 St., Morinville)

4.5-Magnitude Earthquake Shakes Central Alberta April 1

By Haylee Winger

Fort Saskatchewan, and 42 kilometres north of Edmonton.

The earthquake struck at a depth of about five kilometres.

The quake was lightly felt in several nearby communities, including Gibbons, Legal, Bon Accord and Edmonton. While noticeable to some residents, no injuries or structural damage have been reported.

Earthquakes of this magnitude are considered relatively minor, though they can still be felt over a wide area depending on depth and ground conditions.

A 4.5-magnitude earthquake was recorded in central Alberta on April 1, with no reports of damage.

According to Earthquakes Canada, the tremor occurred just before 5:30 p.m. and was centred approximately 18 kilometres northeast of Morinville, 28 kilometres northwest of

Stay safe using off-highway vehicles

Alberta RCMP release

Alberta RCMP is reminding everyone to stay safe when using off-highway vehicles near railway tracks, especially during spring.

With warmer weather and melting snow, the ground can get soft and muddy, making it easier to get stuck, especially near railway tracks.

This can be dangerous, as trains can't

stop quickly or avoid obstacles.

Stay safe by:

- Avoiding travel on or near railway tracks
 - Watching for changing ground conditions
 - Planning routes in designated, safe areas
 - Only crossing tracks at designated crossings
- Railway areas are off-limits, and for good reason – keeping your distance helps keep you and others safe.

Senior girls basketball season concludes at Morinville Community High School

The senior girls basketball team at Morinville Community High School wrapped up a strong and successful season, demonstrating consistent hard work and dedication throughout the year.

Coach Emily was recognized for her commitment and the many hours she devoted to supporting and developing the team over the course of the season.

Appreciation was also

extended to the parents for their ongoing support and encouragement.

Overall, it was a commendable season, and the team's efforts were acknowledged with pride.
