Morinville firefighters help inspire next generation at Camp Inspire

By Shelley
Winger

For members of the Morinville Fire Department, Camp Inspire is about much more than learning-how to fight fires.

For the women who participate, it can be a chance to discover that they are capable of far more than they ever imagined.

For the second consecutive year, Cazlen Ryan has had the opportunity to take part in Camp Inspire, helping with the various training stations while proudly representing

the Morinville Fire Department.

“My experience at Camp Inspire was nothing short of incredible,” Ryan said. “It has quickly become the one week-end of the year that I look forward to the most.”

Camp Inspire is a three-day, hands-on event hosted by Edmonton Fire Rescue Services in partnership with regional fire departments, including Morinville.

The 2026 camp gave participants an opportunity to experience aspects of the fire service in a controlled training environment.

Participants took part in a variety of fire-fighting scenarios, including live-fire exercises, search and rescue, vehicle extrication, rappelling and other tasks firefighters may encounter in their day-to-day roles.

But according to Ryan, some of the most meaningful moments happened outside the training exercises.

“There is something truly special about bringing together women firefighters from different departments and backgrounds,” she said.

“From the moment

we arrive, it feels as though we have known one another for years. The sense

of camaraderie, encouragement, and inclusivity throughout the weekend is

unmatched.”

For Ryan, one of the biggest takeaways

Rock the Rails brings youth, families together in Morinville

By Shelley
Winger

Morinville youth had one more chance to enjoy the summer at the Bob Foster Extreme Sport Park on August 25, when Rock the Rails brought an afternoon of riding,

activities and prizes to the community.

The annual youth action-sports event welcomed local children and families to the park for an afternoon featuring skateboarding, biking and scootering.

Participants had the opportunity to show off their skills, try

something new and take part in a variety of activities throughout the event.

The afternoon included spray-painting the skate park, miniature finger-board parks, a sticker station, a photo booth and prize giveaways.

from the camp was watching participants step outside their comfort zones, challenge themselves and gain confidence.

Having once experienced those same uncertainties herself when she first entered the fire service, Ryan understands how intimidating it can be to try

something completely new.

“Watching these women push themselves, overcome their fears, and accomplish things they had never done before was incredibly rewarding,” she said.

At the end of the camp, hearing participants describe it as one of the best weekends they had ever experienced – while

also asking questions about the next steps toward becoming a firefighter – was particularly meaningful.

“Knowing that I, along with the other firefighters involved, had helped inspire them to take those next steps was incredibly fulfilling,” Ryan said.

Ryan remembers putting on her own bunker gear and pushing through her uncertainties when she first entered the fire service.

Seeing that same determination in the participants was a powerful reminder of how far people can come when they challenge themselves.

Her message to anyone who may be considering firefighting is simple.

“Never let your size, height, gender, or any perceived limitation stand in the way of something you are passionate about.”

“If you are willing to believe in yourself, work hard, and put your heart into it, you are capable of far

East Boundary Road construction underway

By Haylee Winger

Construction is underway on East Boundary Road, with work taking place between 96 Avenue and Highway 642.

The project will see the existing gravel road converted to asphalt, along with improvements to

drainage. The work is also intended to provide safer, more direct access to the Juniper Heights area.

Construction is expected to continue through October.

The completed improvements are expected to provide smoother driving conditions, reduce dust and maintenance requirements, improve drainage and provide

more reliable access for residents.

Motorists should be prepared for traffic disruptions and temporary road closures while the work is underway.

Local access will be maintained, although delays may occur. Residents can find information about upcoming municipal projects through the Town of Morinville’s website.

more than you may realize.”

Ryan said Camp Inspire is about much more than learning firefighting skills.

It is about building connections, developing confidence, challenging perceptions and inspiring more women to pursue careers in the fire service.

Although firefighting has traditionally been viewed as a male-dominated

profession, she said opportunities like Camp Inspire can show participants that the career is within their reach.

“Seeing women successfully navigate the challenges of the fire service can help participants recognize that they, too, have the ability to pursue and succeed in this career,” Ryan said.

For Ryan, being part of Camp Inspire is an

opportunity to help others discover that for themselves.

“I am incredibly proud to be part of an event that empowers women, breaks down barriers, and highlights the strength, capability, and determination they bring to the fire service,” she said.

“Camp Inspire has a lasting impact, and I am already looking forward to being part of it again next year!”

Morinville Home Hardware Recognized with Regional Award

Press Release

Morinville Home Hardware has been named Best Home Hardware – Western Region at the Proud of My Home Achievement Awards and Celebration.

The awards were presented at Home Hardware Stores Limited’s 2026 Homecoming event in Toronto on Sept. 16, 2026.

"Receiving the Best Home Hardware Award for the Western Region is an incredible honour for Beth, myself, and our entire team," said Maurice Chevalier, Dealer-Owner.

"For more than 20 years, we've been committed to creating a store where customers feel

welcome, our team takes pride in what they do, and our community knows they can count on us. This recognition reflects the dedication of every staff member who goes above and beyond each day, as well as the loyalty of the customers who have supported us throughout the years. We are proud to be part of the Morinville community and grateful to be recognized among so many outstanding Home Hardware stores across Western Canada."

Morinville Home Hardware was one of 17 stores recognized with a Proud of My Home Achievement Award.

Recipients are recognized for

excellence in customer service, team performance, and store presentation, while playing an active role in Dealer network initiatives.

"On behalf of everyone at Home Hardware Stores Limited, I'd like to congratulate Morinville Home Hardware on this well-deserved recognition," said Jeff Edwards Territory Manager, Western Retail Operations, Home Hardware Stores Limited.

"It is inspiring to see Dealers like Maurice and Elizabeth Chevalier setting a high standard for customer experience and store excellence. I look forward to their continued success, supported by their hardworking team."

also on site, giving families an opportunity to grab

something to eat while taking in the activities.

Rock the Rails was presented by Linda

Getzlaf-RE/MAX Real Estate, whose sponsorship helped provide prizes and cold water for participants on what was a hot summer day.

Wolf Creek Building Supplies also supported the event by providing spray paint for the park.

The event was open to youth ages 6 to 17 and was offered free of charge on a drop-in basis.

While the focus was on young riders, the Town of Morinville said the event also brought together

families and community members of all ages.

Among those enjoying the afternoon were two local residents who arrived on

electric scooters and joined in the atmosphere at the park.

With summer drawing to a close, Rock the Rails gave local youth one more

opportunity to get outside, connect with friends and enjoy an afternoon of action and community spirit before settling into the new school year.

Rock the Rails welcomed participants of all ages, including these two community members who arrived by electric scooter to enjoy the afternoon.

Morinville RCMP Weekly Round-Up

Morinville RCMP members responded to several calls for service throughout the past week (September 9th to September 16th, 2026):

- During this reporting period, the Morinville RCMP handled 170 new occurrences, including calls for service and traffic-related interactions with the public.
- **September 10, 2026:** Morinville RCMP responded to a complaint of an erratic driver on Highway 28 in Sturgeon County. Members located the vehicle and determined the driver to be intoxicated. The driver was issued several violation tickets. The driver was also issued an immediate roadside sanction, which involved the seizure of their vehicle.
- **September 16, 2026:** Morinville RCMP responded to a collision that involved a crosswalk sign, resulting in heavy smoke. Morinville RCMP, Morinville peace officers, and the Morinville fire department attended to secure the scene. There were no injuries.
- As the first month of school is halfway through, the Morinville RCMP would like to remind both drivers and pedestrians to take extra caution.

- Drivers should slow down and must obey reduced speed limits in active school and playground zones.
- Drivers must yield to pedestrians. Stop for anyone waiting or walking in a marked or unmarked crosswalk. Never pass a vehicle stopped at a crosswalk.
- Drivers travelling in both directions must stop for a school bus with flashing red lights.
- Pedestrians should make eye contact with drivers before crossing in front of a vehicle. Never assume a slowing car sees you; wait for a complete stop before stepping onto the road.
- Pedestrians should only cross at designated intersections, marked crosswalks, or where crossing guards are present. Morinville RCMP remains committed to ensuring the safety of our communities through proactive patrols and enforcement.

Do not attempt to interrupt a crime in progress or approach any suspicious person(s) or vehicle(s).

Call 911 for any activity in progress and mention the call is in response to a RAVE alert. For events that are not in progress, call 1-833-547-RAVE. If you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), or online at www.P3Tips.com.

Alberta RCMP shares information with youth on cyberbullying and sextortion

Press release

Throughout September, the Alberta RCMP is sharing online safety tips with youth.

Youth today can be put in vulnerable circumstances due to the internet, at times becoming victims to cyberbullying or sextortion, but by learning safe online practices, youth can better protect themselves and others.

In the digital age, youth can protect themselves by learning more about the following:

- **Sextortion:** A form of online blackmail in which someone threatens to share a sexual image or video of you unless you pay money or provide more intimate content.

Offenders often pretend to be someone your age and manipulate victims into sending explicit media.

They may use fake or incomplete social media profiles, quickly express strong feelings, or pressure victims to move conversations to private platforms where they can request intimate content.

- **Cyberbullying:** The use of computers, smartphones, or other digital devices to embarrass, threaten, harass, exclude, or harm someone online.

If you are a victim of sextortion:

- Stop all communications with the offender.
- Do not comply with

any threats and do not send money, images, or additional content.

- Save evidence, including screenshots of messages, usernames, profiles, and any images involved.

- Deactivate, but do not delete, your social media account.

- Do not accept new friend requests after disengaging – this could be the offender using a new profile.

- Reach out to a trusted adult, parent, guardian, Elder, or another support person.

- Report the incident:
 - Cybertip.ca allows you to report online child sexual exploitation incidents anonymously.

- Get help removing pictures from the internet at NeedHelp-Now.ca.

- Report the incident to the platform where it occurred.

- Contact your local police service.

If you are a victim of cyberbullying:

- Do not respond to bullying messages or posts.

- Save messages, screenshots, or other evidence.

- Block and report the individual responsible.

- Talk to a trusted adult, parent, guardian, Elder, or another support person.

- Report the behaviour to your school or the website/app where it occurred.

- Contact the police if you feel threatened or

believe a crime has been committed.

“If you are a victim of sextortion or cyberbullying, remember that you are not at fault, and help is available,” says Cst. Scott Sterling, ALERT Internet Child Exploitation (ICE) Unit.

“Youth can support one another by being active bystanders. If you witness cyberbullying or sextortion, speak up, offer support, and help connect victims with trusted adults and available resources.”
