MCHS volleyball alumni tournament keeps generations connected

By **Shelley Winger**

Morinville Community High School's volleyball alumni tournament brings generations of players together, with this year's participants spanning nearly three decades, from the Class of 1998 to 2026.

This year's tournament featured 14 teams across the women's and men's divisions, bringing together approximately 107 current players and alumni. The women's division included eight teams, with two current MCHS teams, senior and junior varsity girls, competing alongside six alumni teams. Approximately 20 current student-athletes and 40

alumni participated. The men's division featured six teams, including the current senior boys team and five alumni teams. Roughly 12 current players and 35 alumni took part. Jennifer Willows, MCHS's senior girls volleyball coach and a physical education and English teacher, said the tournament has become a cherished tradition for

current and former players alike. "At its core, this tournament is built on tradition," Willows said. Current student-athletes look forward to testing their skills against alumni, while former players return for what has become an annual reunion. "It's a powerful celebration of the lifelong bonds formed in high school and being part of a team," she said.

The tournament also draws family, friends and community members to the gym, showcasing the lasting connections formed through school athletics in Morinville. This year, the women's alumni team representing the classes of 2007-2018 won its division for the third consecutive year. The men's alumni team, representing the classes of 2020-2025, also claimed its division title. Willows said the school hopes to continue the tournament for years to

come. "As long as there is community interest, players wanting to play and dedicated coaches willing to organize it, the tournament will remain a proud tradition at MCHS," she said.

The 2020-2025 alumni team claimed the men's division title at the Morinville Community High School volleyball alumni tournament.

The 2007-2018 alumni team won the women's division at the Morinville Community High School volleyball alumni tournament for the third consecutive year.

Bon Accord and Gibbons Food Bank sees growing need ahead of holidays

The Bon Accord and Gibbons Food Bank has seen the number of weekly hampers more than double over the past two years as demand for assistance continues to grow. – Bon Accord and Gibbons Food Bank Photo

By Shelley Winger

The Bon Accord and Gibbons Food Bank has seen demand for assistance more than double over the past two years, as rising food costs put pressure on local households.

The food bank previously averaged eight to 10 hampers per week. It now provides 24 to 28 weekly, with demand reaching as high as 30 in some weeks.

As the holiday season approaches, the organization is encouraging residents, local businesses and community groups to help support individuals and families in need.

The food bank's most-needed items include pasta, pasta sauce, peanut butter, jam, soups, crackers, Kraft Dinner, granola

bars and canned meat.

Financial contributions are also welcome. They help the food bank purchase food in bulk and support its work throughout the year.

"Financial support is great as we can buy bulk and make the dollars go further. We buy food all year long!" said a representative of the Bon Accord and Gibbons Food Bank.

While the need for assistance has grown, donations have declined as people face higher grocery bills themselves.

"With the high cost of food our donations have dropped as people can't afford to donate, so any help is appreciated!" the representative said.

The food bank is also accepting applications for its 2026 Christmas hampers. Applicants must live within the food

bank's service area, and completed applications must be submitted by November 30. Forms are available by emailing bonaccordgibbonsfoodbank@gmail.com or picking up a paper copy at the Gibbons Family Resource Centre.

Food donations can be dropped off at the Family Resource Centre at 5016 50 Street in Gibbons. The centre is open Monday to Thursday from 8:30 a.m. to noon and 1 to 4 p.m., with extended hours until 6 p.m. on Thursdays.

Financial contributions can be made by e-transfer or through the food bank's website at bonaccordgibbonsfoodbank.ca.

The food bank also serves Namao, Legal and Sturgeon County. Donations of food or money can help it continue assisting people across the region.

Morinville shares results of resident satisfaction survey

Town of Morinville press release

Morinville recently completed a resident satisfaction survey, inviting residents to share what they value, what is working well and where there are opportunities to improve.

Using a unique pin code identifier, more than 400 residents in our community took the time to respond online or over the phone. They shared insights on municipal programs, services and future needs for Morinville.

Some key findings from the results include:

- 87% of residents feel Morinville is a safe community.

- 66% of residents were satisfied with quality of life in

Morinville. indicated a satisfactory quality of life.

- 84% of residents reported strong satisfaction with most core municipal services and facilities they used, including garbage, organics, and recycling collection, and with emergency services.

- 77% of residents are satisfied with utility services.

- Satisfaction scores were lowest among residents who used economic development (32% satisfied), winter road and sidewalk maintenance (38% satisfied) and summer road and sidewalk maintenance (41% satisfied).

"These survey results give our team clarity around where we're delivering on

residents' expectations and where we have room to grow. Along with our other operational and financial considerations, as well as Council direction, the insights that residents have given us will be a key part of our decision making in the next few years. We are grateful to the community for all the responses, positive, negative, or neutral, as this information is critical to helping us serve you better," said Michelle Hay, Chief Administrative Officer, Morinville.

The What We Heard report summarizing the high-level survey results, and the full Technical Report, are available at morinville.ca/plans-reports-and-studies/.

Morinville recognized with provincial award for community engagement

By Haylee Winger

The Town of Morinville has received provincial recognition for its efforts to give residents more opportunities to have a say in municipal decisions.

Morinville received a Government of Alberta Minister's Award for Enhancing Community Engagement or Livability in the over 10,000 population category.

The award follows several years of work by the municipality to expand the ways residents can provide feedback and become involved in decisions affecting the community.

One of those changes came in January 2022 with the launch of Engage Morinville, an online platform introduced as part of council's strategic priority to enhance community engagement.

Through the platform, residents can participate in surveys, provide input on projects and take part in budget engagement on their own schedule.

The town also offers in-person opportunities, including open houses, workshops and pop-ups at community events. Larger initiatives, including Morinville's Municipal Development Plan, have used several engagement methods to give residents different ways to participate.

"What makes this recognition especially meaningful is that it reflects the relationship we are continuing to build with our residents," said Mayor Simon Boersma in a Town of Morinville Press release. "Council made a commitment to creating more opportunities for people to have a voice in the decisions that affect their community. We have seen

residents embrace those opportunities, and their input continues to help shape Morinville."

Since its launch, Engage Morinville has recorded more than 32,000 visits and had an engagement rate of 26.4 per cent as of February 2026.

Participation in Morinville's Community Policing Priorities Survey also increased by 400 per cent from 2025 to 2026.

The town shares engagement results online and provides updates to council, allowing residents to see what feedback was received and how it helped inform municipal projects, plans and decisions.

The provincial recognition highlights Morinville's efforts to provide residents with both online and in-person opportunities to participate in their community and have a voice in local decision-making.

PROCLAMATIONS

• Mayor Hnatiw proclaimed October 19 – 25, as Small Business Week in Sturgeon County.

REGULAR COUNCIL MEETING

Request for Building Permit and Development Permit Penalty Waiver – Development Permit DP-26-0194

Council refused the request to waive building permit and development permit penalties associated with Development Permit DP-26-0194 in the amount of \$1,400.

Bylaw 1713/26 – 2026 Event Venue Redistricting

Council approved a second public hearing for Bylaw 1713/26, which would redistrict a portion of private land so the landowner can apply for an event venue permit. The applicant will submit an updated Transportation Impact Review Report for consideration. The second

public hearing will be advertised to advise the public of the opportunity to provide additional submissions related to any new information provided since the first public hearing.

West Rail Outline Plan and Bylaw 1705/26 – West Rail Redistricting Bylaw – First Reading

Council received the West Rail Outline Plan as information.

Council gave first reading of Bylaw 1705/26 – West Rail Redistricting Bylaw – an application for a multi-lot development within River Lots 57 and 58.

A public hearing will be held for Council to receive public input on Bylaw 1705/26.

Bylaw 1719/26 – Crossroads Area Structure Plan (2026) and Bylaw 1730/26 – Crossroads Land Use Bylaw Amendments – First Readings

Council gave first readings of Bylaw 1719/26 – Crossroads Area Structure Plan (2026) and Bylaw 1730/26 – Crossroads

Land Use Bylaw Amendments. A public hearing will be held for Council to receive public input on Bylaws 1719/26 and 1730/26.

• The Crossroads Area Structure Plan (ASP) would be amended to align with updated provincial transportation plans and proposed municipal drainage improvements.

• Amendments to the Crossroads Land Use Bylaw (LUB) include redistricting rail line parcels that have been decommissioned and redistricting various parcels to match the ASP Future Development Concept Map.

Industrial Heartland Traffic Safety Task Force Terms of Reference

Council approved the following motions:

1. That the Industrial Heartland Traffic Safety Task Force Terms of Reference be approved as amended with the term being time-limited for one year from the date

of approval, the municipal membership reduced to include only Sturgeon County and the City of Fort Saskatchewan, and the geographic scope reduced consistent with the municipal membership of the Task Force.

2. That the Mayor be authorized to circulate the draft Terms of Reference to potential participating organizations, for confirmation and acceptance.

3. That Mayor Hnatiw and Councillor Berry be appointed to represent Sturgeon County on the Industrial Heartland Traffic Safety Working Group.

NOTICES OF MOTION

Deputy Mayor

McLennan gave notice that he will introduce the following motion at the November 10, 2026 Regular Council Meeting:

That Administration provide a summary of claims made to Sturgeon County's insurance provider between January 1,

2025 and September 30, 2026, including a general description of each claim, high level claim considerations, and its outcome (approved/denied).

Further, that Administration provides options and high-level implications on creating an alternate insurance model including one administered and funded by Sturgeon County.

Councillor Stang gave notice that she will introduce the following motion at the November 10, 2026 Regular Council Meeting:

That Administration present information regarding how speed limits on County roads are established and changed, and specifically, the recent speed limit increase from 80 km/hr to 100 km/hr on Lily Lake Road through Fedorah south of Highway 651.

COMMITTEE OF THE WHOLE

Municipal Reserve Information and Policy Implications

The Committee received the Municipal Reserve Information and Policy Implications presentation as information.

2026 Council Base Remuneration Maintenance Review Report

The Committee referred the 2026 Council Base Remuneration Maintenance Review Report to the 2027 Budget Deliberations for implementation.

PUBLIC HEARINGS

1:00 p.m. Public Hearing – Bylaw 1721/26 – 2026 Off-Road Vehicle Track Redistricting

Council held a public hearing on Bylaw 1721/26, which would amend the Land Use Bylaw private lands to allow the landowner to apply for a recreational, outdoor motorized vehicle facility (for dirt bikes and potentially all-terrain vehicles).

Council will consider the information received and make a decision at a future Council meeting.

New online tool helps Albertans navigate cancer screening

Press Release

Primary Care Alberta's (PCA) Screening Programs has launched a new online guide to help Albertans understand when they should start screening for breast, cervical or colorectal cancer.

The guide, which is available at screeningforlife.ca, is designed to translate

complex screening recommendations into an accessible and interactive experience, helping Albertans navigate screening with greater confidence and clarity.

“Early detection can make a life-changing difference. This new online guide gives Albertans clear, accessible information to help

them understand when to get screened and take an important step in protecting their health.” – Justin Wright, Minister of Primary and Preventative Health Services

October is Breast Cancer Awareness month, a time when we remind the public about the importance of staying on top of screening

recommendations. In Canada, breast cancer is the most common cancer diagnosed in women. Raising awareness and encouraging screening is an important step to ensuring patients get the support and care they need.

“Screening can detect cancer early, before symptoms appear and when treatment works best. We want to empower Albertans to make informed decisions about cancer screening and support increased awareness of recommended screening across the province.” – Kimberley Simmonds, CEO of Primary Care Alberta

Alberta currently has provincial screening programs for breast, cervical and colorectal cancers. The goal of these programs is to reduce the numbers of breast, cervical and colorectal cases and cancer deaths in Alberta.

PCA supports Albertans across the province in accessing this important care. We provide timely information, education and resources to the public and primary healthcare providers.

PCA's cancer screening notifications are moving towards becoming paperless.

Starting in the fall of 2026, mailed invitation and reminder notifications for cancer screening will be phased out, when possible, and patients will get notifications and information through MyHealthAlberta's MyChart online platform.

This change makes it easier to review messages, alerts and results, better keep track of your screenings and remind you when to book an appointment.

Albertans who are able and not already signed up, are

encouraged to set up a MyChart account by visiting myhealth.alberta.ca/help/KB/setting-up-my-health-records.

For additional information about screening, talk to your primary care provider or visit screeningforlife.ca.

Care is a lifelong commitment for Primary Care Alberta. We plan, fund and support primary healthcare across the province, improving access to care providers and offering front-line services through Health Link 811 and public health teams.

Throughout the health journey, we are by your side – managing, preventing and reducing illness. Along with our partners, we nurture the connections our communities need to thrive and strengthen the health of all Albertans.

Sturgeon County Fire Chief Chad Moore, who was named Fire Chief of the Year in September, was formally recognized by County Council on October 13 with a certificate honouring the national award. Moore was recognized for his leadership, service and dedication to the community. – Sturgeon County Photo

Utility Operator

Permanent Full-Time Position

The Town of Redwater is situated just 35 minutes northeast of Edmonton and borders the Alberta Industrial Heartland, this community is poised for significant growth. Redwater offers great recreation, culture, education and health care to the area residents. Visit our website to learn more about our great community: www.redwater.ca.

The Public Works team is seeking a dependable, safety minded operator to join our team and help maintain the essential services our community relies on.

Our preferred candidate is a qualified Gas Utility Operator or Gas Fitter. We also welcome applications from candidates with municipal utility or Public Works experience, including relevant certifications, training or practical knowledge in water distribution, wastewater collection, equipment operation and municipal maintenance.

About the role:

This position supports the operation and maintenance of the Town’s utilities and Public Works infrastructure. Duties will be assigned according to the successful candidate’s qualifications, demonstrated competency and training.

Depending on experience and qualifications, responsibilities may include:

- Operating, inspecting and maintaining natural gas distribution infrastructure.
- Supporting water distribution and wastewater collection operations.
- Completing utility inspections, maintenance, locates and operating records.
- Responding to service requests and participating in an assigned on-call rotation.
- Operating municipal equipment, including sander trucks, small equipment such as Toolcat and, blowers and grader, for winter road maintenance.
- Supporting road maintenance, drainage, repairs and other Public Works activities.
- Working safely with staff and contractors while providing courteous service to residents.

What we are looking for:

- We are interested in candidates who bring one or more of the following:
- Gas Utility Operator certification, Gas Fitter certification or progress toward certification.
 - Relevant FedGas training, such as fusion, regulator and meter operations, leak detection or emergency response.
 - Water or wastewater operator certification, or practical experience with municipal utility systems.
 - Experience operating heavy equipment, particularly graders, sander trucks, loader, backhoe or similar municipal equipment.
 - Experience in snow clearing, road maintenance and general Public Works operations.

The successful candidate will also demonstrate sound judgment, a strong commitment to safety, reliable work habits and the ability to work independently within their assigned responsibilities and as part of a team. A willingness to complete required training and contribute across the Public Works operations is essential.

Candidates who do not currently hold Gas Utility Operator certification are encouraged to apply. Depending on the successful candidate’s background and the Town’s operational needs, the position may focus initially on municipal utilities, equipment operation and Public Works duties, with opportunities for further utility training.

A detailed position description is available on our website: www.redwater.ca

This position is within the Town’s bargaining unit LiUNA! Local 92. Compensation will follow the applicable Town wage structure, with placement based on relevant experience, qualifications and certifications. Please forward your resume and three work related references to:

Danielle Lapierre, Operations Assistant
dlapierre@redwater.ca
Ph. (780) 942-3519

Applications will be accepted until a suitable candidate is found.

The Town of Redwater thanks all applicants for their interest, however only those who have been selected for an interview will be contacted.

Alberta RCMP reminds road users to stay safe during low-light conditions

Alberta RCMP release

As daylight hours decrease and mowre Albertans commute during periods of limited visibility, the Alberta RCMP is reminding drivers and pedestrians to take extra precautions to stay safe on roadways.

Motorists should remember:

- Be especially mindful when driving

in school and playground zones during periods of low light.

- Always obey the posted speed limit so you can stop safely when necessary.

- Never pass vehicles that are stopped at a crosswalk. There may be pedestrians crossing that you cannot see.

- Never assume pedestrians can see you. Before turning at an

intersection, make eye contact with pedestrians whenever possible and ensure the crosswalk is clear before proceeding.

- Drivers should be aware that both marked and unmarked crosswalks may exist at intersections and must yield to pedestrians who are lawfully crossing.

Pedestrians should remember:

- Follow the rules of the road and obey all posted signs and signals.

- Always try to cross at marked crosswalks. If a crosswalk is not available, locate a well-lit area where you have the best view of traffic, and only cross when it's safe.

- Make sure motorists can see you and that traffic has come to a complete

stop before entering a crosswalk.

- If you are walking when visibility is low, consider wearing high-visibility gear or clothing.

- If no sidewalk is available, walk facing oncoming traffic and keep as far from vehicles as safely possible.

"Reduced visibility can make it harder for drivers to see pedestrians and for

pedestrians to accurately judge approaching traffic," says Sgt. Darrin Turnbull, Alberta RCMP Traffic Services. "A few extra seconds of caution can help prevent serious collisions and keep everyone safe."

For more traffic safety information, follow us on Facebook @RCMPinAlberta and on X @RCMPAlberta.

Alberta RCMP issue 1,861 traffic tickets over Thanksgiving weekend

By Haylee Winger

Alberta RCMP issued 1,861 traffic violation tickets over the Thanksgiving long weekend as officers took part in a national campaign

aimed at making roads safer. According to Alberta RCMP, officers participated in Operation Impact 2026, a road safety initiative focused on reducing collisions, injuries and deaths through enforcement and public awareness.

During the enforcement period, officers issued 755 speeding tickets, 32 distracted driving tickets and 25 seatbelt infractions. Police also issued 87 Immediate Roadside Sanctions related to impaired driving offences. Despite the enforcement efforts, the long weekend saw 15 injury collisions and two fatal collisions. Two people lost their lives. RCMP are reminding

drivers that safe driving habits can help prevent collisions and protect everyone on the road. Drivers are encouraged to slow down, follow posted speed limits, keep their attention on driving and wear their seatbelts. Motorists should avoid using cellphones while driving, leave enough space between vehicles and adjust their speed to changing weather and road

conditions. Anyone planning to consume alcohol or drugs should arrange a sober driver, taxi or other safe ride home rather than getting behind the wheel. RCMP remind motorists that safe driving habits are important year-round, and that slowing down, staying focused and making responsible decisions behind the wheel can help prevent collisions.
